

relevant industry representatives, individuals with lived experience, and other representatives, as appropriate.

Representatives will be designated to occupy the positions for a two-year term to commence during the 2023 calendar year. The individuals chosen for representation on ACWS Subcommittee will be recommended by the DFO or designee during the 2023 calendar year and appointed by the Assistant Secretary for Mental Health and Substance Use. Details of application requirements are provided below.

Nominations

SAMHSA is requesting nominations of representatives to fill non-voting positions for the ACWS Subcommittee. The representatives can be individuals or organizations. The representatives will be recommended by the DFO or designee during the 2023 calendar year and approved by the Assistant Secretary.

Selection of representatives will be based on the qualifications of the individual or organization to contribute to the accomplishment of the ACWS mission, as described in the Committee charter. In selecting representatives to be considered for these positions and to ensure that representation is fairly balanced in terms of points of view, SAMHSA will give close attention to equitable geographic distribution, expertise mix, and diversity, and give priority to individuals with lived experience, and U.S.-chartered 501(c)(3) organizations that operate within the United States, and have membership with demonstrated expertise in maternal mental health, and/or substance use or related research, clinical services, or advocacy and outreach through professional organizations and/or industry on issues concerning maternal mental health and/or substance use.

Organizations that currently have non-voting liaison representatives serving on ACWS are also eligible for nomination or to nominate themselves for consideration.

The representatives will perform the associated duties without compensation and will not receive per diem or reimbursement for travel expenses. It is expected there will be at least one in-person ACWS Subcommittee meeting per year in the DC metropolitan area during the designated term of appointment. Representatives will need to pay for their own travel.

To qualify for consideration of selection to the ACWS Subcommittee, an individual or organization should submit the following items:

(1) A statement of the organization's or individual's experience and expertise

in maternal mental health, substance use, and/or related research, clinical services, or advocacy and outreach through professional organizations and/or industry, as well as expert knowledge or lived experience of the broad issues and topics pertinent to maternal mental health and/or substance use. This information should demonstrate the organization's or individual's proven ability to work and communicate with the maternal mental and/or substance use patient and advocacy community, and other public/private organizations concerned with maternal mental health and/or substance use, including public health agencies at the Federal, State, and local levels.

(2) Two to four letters of recommendation that clearly state why the applicant is qualified to serve on the ACWS Subcommittee in a non-voting position. These letters should be from individuals who are not part of the organization.

(3) A statement that the individual is willing to serve as a non-voting liaison representative of the ACWS Subcommittee and will cover expenses to attend at least one ACWS meeting per year in Washington DC metropolitan area during the designated term of appointment. Submitted nominations must include these critical elements in order for the individual or organization to be considered for one of the ACWS Subcommittee positions.

Nomination materials should be typewritten, using a 12-point font and double-spaced. Nominations are being accepted on a rolling basis until the deadline.

Electronic submissions: Nomination materials, including attachments, may be submitted electronically to valerie.kolick@samhsa.hhs.gov. Telephone and facsimile submissions cannot be accepted.

HHS makes every effort to ensure that the membership of Federal advisory committees is fairly balanced in terms of points of view represented. Every effort is made to ensure that a broad representation of geographic areas, sex, ethnic and minority groups, and people with disabilities are given consideration for membership on Federal advisory committees. Selection of the representatives shall be made without discrimination on the basis of age, sex, race, ethnicity, sexual orientation, sexual identity, disability, and cultural, religious, or socioeconomic status.

Authority: The Substance Abuse and Mental Health Services Administration's (SAMHSA) Advisory Committee for Women's Services (ACWS) is required by 42 U.S.C. 290aa; section 501(f)(2)(C) of the Public Health

Service Act, as amended. The ACWS is governed by the provisions of the Federal Advisory Committee Act (FACA), as amended, 5 U.S.C. 10. The Maternal Mental Health Task Force subcommittee is authorized in section 1113 of Public Law 117-328 (Consolidated Appropriations Act, 2023).

DEPARTMENT OF THE INTERIOR

Bureau of Ocean Energy Management

[Docket No. BOEM-2023-048]

Notice of Availability of a Joint Record of Decision for the Revolution Wind Farm and Revolution Wind Export Cable Project

AGENCY: Bureau of Ocean Energy Management (BOEM), Interior; National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce; U.S. Army Corps of Engineers (USACE), Department of the Army (DA).

ACTION: Notice of Availability (NOA); record of decision (ROD).

SUMMARY: BOEM announces the availability of the joint ROD on the Final Environmental Impact Statement (FEIS) for the construction and operations plan (COP) submitted by Revolution Wind, LLC (Revolution Wind) for its Revolution Wind Farm and Revolution Wind Export Cable Project (Project) offshore Rhode Island. The joint ROD includes the Department of the Interior's (DOI) decision regarding the Revolution Wind COP, NMFS' decision regarding Revolution Wind's request for Incidental Take Regulations (ITR) and an associated Letter of Authorization (LOA) under the Marine Mammal Protection Act (MMPA), and the DA's decision regarding authorizations under section 10 of the Rivers and Harbors Act of 1899 (RHA) and section 404 of the Clean Water Act (CWA). NMFS has adopted the FEIS to support its decision of whether or not to promulgate ITRs and issue a LOA to Revolution Wind under the MMPA. USACE has adopted the FEIS to support its decision to issue a DA permit under section 10 of the RHA and section 404 of the CWA. The joint ROD concludes the National Environmental Policy Act (NEPA) process for each agency and is available with associated information on BOEM's website at: <https://www.boem.gov/renewable-energy/state-activities/revolution-wind>.

FOR FURTHER INFORMATION CONTACT: For information on the Project ROD, please contact Jessica Stromberg, BOEM Office of Renewable Energy Programs, 45600

Woodland Road, VAM-OREP, Sterling, Virginia 20166, (703) 787-1730 or jessica.stromberg@boem.gov. For information related to NMFS' action, contact Katherine Renshaw, NOAA Office of General Counsel, Environmental Review and Coordination Section, (302) 515-0324, katherine.renshaw@noaa.gov. For information related to USACE's action, contact Ruth Brien, New England District Regulatory Division, (978) 318-8054 or ruthann.a.brien@usace.army.mil.

SUPPLEMENTARY INFORMATION:

Revolution Wind seeks approval to construct, operate, maintain, and eventually decommission the Project: a wind energy facility on the Outer Continental Shelf (OCS) offshore Rhode Island. The Project would be developed within the range of design parameters outlined in the Revolution Wind COP, subject to applicable mitigation measures. The Project as proposed in the COP would include up to 100 wind turbine generators (WTGs), up to 2 offshore high voltage alternating current substations, inter-array cables linking the individual turbines to the offshore substations, one substation interconnector cable linking the substations to each other, offshore export cables, an onshore export cable system, one onshore substation, and connection to the existing electrical grid at The Narragansett Electric Company Davisville Substation in North Kingstown, Rhode Island. The WTGs, offshore substations, inter-array cables and substation interconnector cables would be located on the OCS approximately 15 nautical miles (18 statute miles) southeast of Point Judith, Rhode Island, within an area defined by Renewable Energy Lease OCS-A 0486 (Lease Area). The offshore export cables would be buried below the seabed in the OCS and State of Rhode Island submerged lands. The onshore export cables, substations, and grid connections would be located in North Kingstown, Rhode Island.

A notice of availability for the FEIS was published in the **Federal Register** on July 21, 2023. On August 15, 2023, BOEM published an errata on its website that included certain edits to the summary of impacts by alternative tables in the Executive Summary and Chapter 2 of the FEIS to include species-specific impact determinations for North Atlantic Right Whale at the request of NOAA. The errata also provides numbering corrections, and text and footnotes to tables note clarifications in Chapter 3, Appendix E-2, and Appendix F. None of these edits
