

in the TGB to Airbus Helicopters or send an affected TGB to an approved workshop.

(14) Where the service information (including any work card) referenced in EASA AD 2023–0001 specifies to use tooling, this AD allows the use of equivalent tooling.

(15) Where the service information (including any work card) referenced in EASA AD 2023–0001 specifies discarding certain parts, this AD requires removing those parts from service.

(16) Where the service information (including any work card) referenced in EASA AD 2023–0001 specifies performing a metallurgical analysis of particles if there is a doubt concerning the type, size, or classification of any collected particle, this AD requires, before further flight, performing a metallurgical analysis if the type, size, or classification of any collected particle cannot be determined.

(17) Where the service information (including any work card) referenced in EASA AD 2023–0001 specifies if there is any doubt remaining (pertaining to particle classification) after performing a metallurgical analysis, contact Airbus, this AD requires, before further flight, removing an affected TGB from service and replacing it with an airworthy part, or repairing the TGB in accordance with a method approved by the Manager, Europe Middle East & Africa Section, International Validation Branch, FAA; EASA; or Airbus Helicopters' DOA. If approved by the DOA, the approval must include the DOA-authorized signature.

(18) Where the service information referenced in EASA AD 2023–0001 requires reporting inspection results, including Appendix 4.A., to Airbus Helicopters, if any M50 particles are found, this AD requires reporting those inspection results along with a detailed description of any information and findings, and if possible, provide photos, at the applicable time in paragraph (h)(18)(i) or (ii) of this AD.

(i) If the inspection was done on or after the effective date of this AD: Submit the report within 10 days after accomplishing the metallurgical analysis.

(ii) If the inspection was done before the effective date of this AD: Submit the report within 10 days after the effective date of this AD.

(19) This AD does not adopt the "Remarks" section of EASA AD 2023–0001.

(i) Special Flight Permits

Special flight permits may be issued in accordance with 14 CFR 21.197 and 21.199, provided no passengers are onboard.

(j) Alternative Methods of Compliance (AMOCs)

(1) The Manager, International Validation Branch, FAA, has the authority to approve AMOCs for this AD, if requested using the procedures found in 14 CFR 39.19. In accordance with 14 CFR 39.19, send your request to your principal inspector or local Flight Standards District Office, as appropriate. If sending information directly to the manager of the International Validation Branch, send it to the attention of the person identified in paragraph (k) of this AD. Information may be emailed to: 9-AVS-AIR-730-AMOC@faa.gov.

(2) Before using any approved AMOC, notify your appropriate principal inspector, or lacking a principal inspector, the manager of the local flight standards district office/certificate holding district office.

(k) Related Information

For more information about this AD, contact Kevin Kung, Aviation Safety Engineer, FAA, 1600 Stewart Avenue, Suite 410, Westbury, NY 11590; telephone (781) 238–7244; email 9-AVS-AIR-BACO-COS@faa.gov.

(l) Material Incorporated by Reference

(1) The Director of the Federal Register approved the incorporation by reference of the service information listed in this paragraph under 5 U.S.C. 552(a) and 1 CFR part 51.

(2) You must use this service information as applicable to do the actions required by this AD, unless this AD specifies otherwise.

(i) European Union Aviation Safety Agency (EASA) AD 2023–0001, dated January 4, 2023.

(ii) [Reserved]

(3) For EASA AD 2023–0001, contact EASA, Konrad-Adenauer-Ufer 3, 50668 Cologne, Germany; telephone +49 221 8999 000; email ADs@easa.europa.eu; Internet easa.europa.eu. You may find the EASA material on the EASA website at ad.easa.europa.eu.

(4) You may view this service information at the FAA, Office of the Regional Counsel, Southwest Region, 10101 Hillwood Pkwy., Room 6N–321, Fort Worth, TX 76177. For information on the availability of this material at the FAA, call (817) 222–5110.

(5) You may view this material that is incorporated by reference at the National Archives and Records Administration (NARA). For information on the availability of this material at NARA, email fr.inspection@nara.gov, or go to: www.archives.gov/federal-register/cfr/ibr-locations.html.

Issued on August 23, 2023.

Victor Wicklund,

Deputy Director, Compliance & Airworthiness Division, Aircraft Certification Service.

BILLING CODE 4910–13–P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 39

[Docket No. FAA–2023–1812; Project Identifier MCAI–2023–00726–A]

RIN 2120–AA64

Airworthiness Directives; Diamond Aircraft Industries Inc. Airplanes

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: The FAA proposes to adopt a new airworthiness directive (AD) for all Diamond Aircraft Industries Inc. Model DA 62 airplanes. This proposed AD was prompted by reports of baggage nets installed with defective buckles, which may result in failure of the baggage net to restrain the baggage or cargo, which could lead to injury to the occupants in the case of an emergency landing. This proposed AD would require identifying and replacing the affected part. The FAA is proposing this AD to address the unsafe condition on these products.

DATES: The FAA must receive comments on this NPRM by October 16, 2023.

ADDRESSES: You may send comments, using the procedures found in 14 CFR 11.43 and 11.45, by any of the following methods:

- **Federal eRulemaking Portal:** Go to regulations.gov. Follow the instructions for submitting comments.

- **Fax:** (202) 493–2251.

- **Mail:** U.S. Department of Transportation, Docket Operations, M–30, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE, Washington, DC 20590.

- **Hand Delivery:** Deliver to Mail address above between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

AD Docket: You may examine the AD docket at regulations.gov under Docket No. FAA–2023–1812; or in person at Docket Operations between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The AD docket contains this NPRM, the mandatory continuing airworthiness information (MCAI), any comments received, and other information. The street address for Docket Operations is listed above.

Material Incorporated by Reference:

- For service information identified in this NPRM, contact Diamond Aircraft Industries Inc., Att: Thit Tun, 1560 Crumlin Road, London, N5V 1S2, Canada; phone: (519) 457–4000; email: t.tun@diamondaircraft.com; website: diamondaircraft.com.

- You may view this service information at the FAA, Airworthiness Products Section, Operational Safety Branch, 901 Locust, Kansas City, MO 64106. For information on the availability of this material at the FAA, call (817) 222–5110.

FOR FURTHER INFORMATION CONTACT:

Chirayu Gupta, Aviation Safety Engineer, FAA, 1600 Stewart Avenue, Suite 410, Westbury, NY 11590; phone: (516) 228–7300; email: chirayu.a.gupta@faa.gov.

SUPPLEMENTARY INFORMATION:

Comments Invited

The FAA invites you to send any written relevant data, views, or arguments about this proposal. Send your comments to an address listed under **ADDRESSES**. Include “Docket No. FAA–2023–1812; Project Identifier MCAI–2023–00726–A” at the beginning of your comments. The most helpful comments reference a specific portion of the proposal, explain the reason for any recommended change, and include supporting data. The FAA will consider all comments received by the closing date and may amend this proposal because of those comments.

Except for Confidential Business Information (CBI) as described in the following paragraph, and other information as described in 14 CFR 11.35, the FAA will post all comments received, without change, to *regulations.gov*, including any personal information you provide. The agency will also post a report summarizing each substantive verbal contact received about this NPRM.

Confidential Business Information

CBI is commercial or financial information that is both customarily and actually treated as private by its owner. Under the Freedom of Information Act (FOIA) (5 U.S.C. 552), CBI is exempt from public disclosure. If your comments responsive to this NPRM contain commercial or financial information that is customarily treated as private, that you actually treat as private, and that is relevant or responsive to this NPRM, it is important that you clearly designate the submitted comments as CBI. Please mark each page of your submission containing CBI as “PROPIN.” The FAA will treat such marked submissions as confidential under the FOIA, and they will not be placed in the public docket of this NPRM. Submissions containing CBI should be sent to Chirayu Gupta, Aviation Safety Engineer, FAA, 1600 Stewart Avenue, Suite 410, Westbury, NY 11590. Any commentary that the FAA receives which is not specifically designated as CBI will be placed in the public docket for this rulemaking.

Background

Transport Canada, which is the aviation authority for Canada, has issued Transport Canada AD CF–2021–24, dated July 21, 2021 (referred to after this as the MCAI), to correct an unsafe

condition on all Diamond Aircraft Industries Inc. Model DA 40, DA 40 D, DA 40 F, DA 40 NG, and DA 62 airplanes.

The MCAI states Diamond Aircraft Industries Inc. received reports of defective buckles installed on the baggage nets on DA 40 NG and DA 62 airplanes. An investigation revealed a quality issue during the manufacturing of the Quick Fix Baggage Net Assembly, part number (P/N) D44–2550–90–00 and P/N D67–2550–90–00 02, by the supplier. P/N D44–2550–90–00 baggage nets can also be installed on DA 40, DA 40 D, and DA 40 F airplanes. The baggage nets installed with defective buckles may not maintain sufficient holding force to restrain the baggage or cargo that is carried in the same compartment as passengers. Consequently, they may not provide adequate means to protect the passengers from injury. This condition, if not corrected, could result in the failure of the baggage net to restrain the baggage or cargo, which could lead to injury to the occupants in the case of an emergency landing. The MCAI mandates the removal and replacement of the affected baggage nets. The MCAI also renders any affected baggage nets not eligible for installation as a replacement part on Diamond Aircraft Industries Inc. Model DA 40, DA 40 D, DA 40 F, DA 40 NG, and DA 62 airplanes.

Previously, the FAA issued AD 2022–13–06, Amendment 39–22092 (87 FR 40435, July 7, 2022) (AD 2022–13–06) to address the unsafe condition on all Diamond Aircraft Industries Inc. Model DA 40, DA 40 F, and DA 40 NG airplanes (including Model DA 40 D airplanes that have been converted to Model DA 40 NG airplanes). AD 2022–13–06 requires removing and replacing the affected baggage nets. The Diamond Aircraft Industries Inc. Model DA 62 airplanes were not included in AD 2022–13–06. This proposed AD would require these same actions on the Diamond Aircraft Industries Inc. Model DA 62 airplanes.

The FAA is proposing this AD to prevent failure of the baggage net to restrain the baggage or cargo. This unsafe condition, if not corrected, could result in injury to occupants in the case of an emergency landing.

You may examine the MCAI in the AD docket at *regulations.gov* under Docket No. FAA–2023–1812.

Related Service Information Under 1 CFR Part 51

The FAA reviewed Diamond Aircraft Industries Mandatory Service Bulletin MSB 62–028, Rev. 1, dated July 6, 2021, which specifies procedures for identifying, removing, and replacing the affected baggage nets.

This service information is reasonably available because the interested parties have access to it through their normal course of business or by the means identified in **ADDRESSES**.

FAA’s Determination

These products have been approved by the aviation authority of another country, and are approved for operation in the United States. Pursuant to the FAA’s bilateral agreement with this State of Design Authority, it has notified the FAA of the unsafe condition described in the MCAI and service information referenced above. The FAA is issuing this NPRM after determining that the unsafe condition described previously is likely to exist or develop on other products of the same type design.

Proposed AD Requirements in This NPRM

This proposed AD would require accomplishing the actions specified in the MCAI, except as discussed under “Differences Between this Proposed AD and the MCAI.”

Differences Between This Proposed AD and the MCAI

The MCAI applies to Diamond Aircraft Industries Inc. Model DA 40, DA 40 D, DA 40 F, DA 40 NG, and DA 62 airplanes. This proposed AD would only apply to Diamond Aircraft Industries Inc. Model DA 62 airplanes and would not apply to Model DA 40, DA 40 F, and DA 40 NG airplanes because those airplanes are already covered by AD 2022–13–06. This proposed AD would not apply to Model DA 40 D airplanes because that model does not have an FAA type certificate.

Costs of Compliance

The FAA estimates that this AD, if adopted as proposed, would affect 81 airplanes of U.S. registry.

The FAA estimates the following costs to comply with this proposed AD:

ESTIMATED COSTS

Action	Labor cost	Parts cost	Cost per product	Cost on U.S. operators
Replace baggage net	0.25 work-hour × \$85 per hour = \$21.25	\$441	\$462.25	\$37,442.25

Authority for This Rulemaking

Title 49 of the United States Code specifies the FAA’s authority to issue rules on aviation safety. Subtitle I, section 106, describes the authority of the FAA Administrator. Subtitle VII: Aviation Programs, describes in more detail the scope of the Agency’s authority.

The FAA is issuing this rulemaking under the authority described in Subtitle VII, Part A, Subpart III, Section 44701: General requirements. Under that section, Congress charges the FAA with promoting safe flight of civil aircraft in air commerce by prescribing regulations for practices, methods, and procedures the Administrator finds necessary for safety in air commerce. This regulation is within the scope of that authority because it addresses an unsafe condition that is likely to exist or develop on products identified in this rulemaking action.

Regulatory Findings

The FAA determined that this proposed AD would not have federalism implications under Executive Order 13132. This proposed AD would not have a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government.

For the reasons discussed above, I certify this proposed regulation:

- (1) Is not a “significant regulatory action” under Executive Order 12866,
- (2) Would not affect intrastate aviation in Alaska, and
- (3) Would not have a significant economic impact, positive or negative, on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

List of Subjects in 14 CFR Part 39

Air transportation, Aircraft, Aviation safety, Incorporation by reference, Safety.

The Proposed Amendment

Accordingly, under the authority delegated to me by the Administrator, the FAA proposes to amend 14 CFR part 39 as follows:

PART 39—AIRWORTHINESS DIRECTIVES

■ 1. The authority citation for part 39 continues to read as follows:

Authority: 49 U.S.C. 106(g), 40113, 44701.

§ 39.13 [Amended]

■ 2. The FAA amends § 39.13 by adding the following new airworthiness directive:

Diamond Aircraft Industries Inc.: Docket No. FAA–2023–1812; Project Identifier MCAI–2023–00726–A.

(a) Comments Due Date

The FAA must receive comments on this airworthiness directive (AD) by October 16, 2023.

(b) Affected ADs

AD 2022–13–06, Amendment 39–22092 (87 FR 40435, July 7, 2022) is related to this AD.

(c) Applicability

This AD applies to Diamond Aircraft Industries Inc. Model DA 62 airplanes, all serial numbers, certificated in any category.

(d) Subject

Joint Aircraft System Component (JASC) Code 2550, Cargo Compartments.

(e) Unsafe Condition

This AD was prompted by reports of baggage nets installed with defective buckles. The FAA is issuing this AD to prevent failure of the baggage net to restrain the baggage or cargo. The unsafe condition, if not addressed, could result in injury to occupants in the case of an emergency landing.

(f) Compliance

Comply with this AD within the compliance times specified, unless already done.

(g) Definition

The following are “affected baggage nets” for purposes of this AD: Quick fix baggage net assembly part number D67–2550–90–00_02 with a date of manufacture of June 2016.

(h) Required Actions

(1) Within 12 months after the effective date of this AD or within 50 hours time-in-service after the effective date of this AD, whichever occurs first, inspect each baggage net to determine whether an affected baggage net is installed on your airplane.

Note 1 to paragraph (h)(1): The date of manufacture is located on the label with the abbreviation “DMF.”

(i) If an affected baggage net is installed, before further flight, remove the baggage net from service.

(ii) Before the next flight carrying baggage or cargo in the baggage compartment, install a baggage net that is not an affected baggage net in accordance with Figure 1 of the Accomplishment Instructions in Diamond Aircraft Industries Mandatory Service Bulletin MSB 62–028, Rev. 1, dated July 6, 2021.

(2) As of the effective date of this AD, do not install an affected baggage net on any airplane.

(i) Alternative Methods of Compliance (AMOCs)

The Manager, International Validation Branch, FAA, has the authority to approve AMOCs for this AD, if requested using the procedures found in 14 CFR 39.19. In accordance with 14 CFR 39.19, send your request to your principal inspector or local Flight Standards District Office, as appropriate. If sending information directly to the manager of the International Validation Branch, mail it to the address identified in paragraph (j)(2) of this AD or email to: 9-AVS-AIR-730-AMOC@faa.gov. If mailing information, also submit information by email. Before using any approved AMOC, notify your appropriate principal inspector, or lacking a principal inspector, the manager of the local flight standards district office/certificate holding district office.

(j) Additional Information

(1) Refer to Transport Canada AD CF–2021–24, dated July 21, 2021, for related information. This Transport Canada AD may be found in the AD docket at [regulations.gov](https://www.regulations.gov) under Docket No. FAA–2023–1812.

(2) For more information about this AD, contact Chirayu Gupta, Aviation Safety Engineer, FAA, 1600 Stewart Avenue, Suite 410, Westbury, NY 11590; phone: (516) 228–7300; email: chirayu.a.gupta@faa.gov.

(k) Material Incorporated by Reference

(1) The Director of the Federal Register approved the incorporation by reference (IBR) of the service information listed in this paragraph under 5 U.S.C. 552(a) and 1 CFR part 51.

(2) You must use this service information as applicable to do the actions required by this AD, unless the AD specifies otherwise.

(i) Diamond Aircraft Industries Mandatory Service Bulletin MSB 62–028, Rev. 1, dated July 6, 2021.

(ii) [Reserved]

(3) For service information identified in this AD, contact Diamond Aircraft Industries Inc., Att: Thit Tun, 1560 Crumlin Road, London, N5V 1S2, Canada; phone: (519) 457–4000; email: t.tun@diamondaircraft.com; website: [diamondaircraft.com](https://www.diamondaircraft.com).

(4) You may view this service information at the FAA, Airworthiness Products Section, Operational Safety Branch, 901 Locust, Kansas City, MO 64106. For information on

the availability of this material at the FAA, call (817) 222-5110.

(5) You may view this service information that is incorporated by reference at the National Archives and Records Administration (NARA). For information on the availability of this material at NARA, email: fr.inspection@nara.gov, or go to: www.archives.gov/federal-register/cfr/ibr-locations.html.

Issued on August 28, 2023.

Victor Wicklund,

Deputy Director, Compliance & Airworthiness Division, Aircraft Certification Service.

BILLING CODE 4910-13-P

FEDERAL MEDIATION AND CONCILIATION SERVICE

29 CFR Part 1406

RIN 3076-AA26

FMCS Terms of Service

AGENCY: Federal Mediation and Conciliation Service.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Federal Mediation and Conciliation Service (FMCS) is issuing this proposed rule for FMCS clients. This rulemaking sets forth terms for FMCS's provision of services. This rulemaking further expounds upon confidentiality rules associated with FMCS's services.

DATES: Comments must be submitted on or before October 31, 2023.

ADDRESSES: You may submit comments, in writing, to FMCS on this proposed rule, identified by RIN 3076-AA26, by any of the following methods:

- *Email:* register@fmcs.gov. Include the reference "Proposed Rule FMCS Terms of Service, RIN 3076-AA26" in the subject line of the message.

- *Mail:* FMCS, One Independence Square, 250 E Street SW, Washington, DC 20427, Attention: Alisa Zimmerman, Deputy General Counsel.

FOR FURTHER INFORMATION CONTACT:

Alisa Zimmerman, Deputy General Counsel, Office of General Counsel, Federal Mediation and Conciliation Service, 250 E St SW, Washington, DC 20427; Office/Fax/Mobile 202-606-5488; azimmerman@fmcs.gov.

SUPPLEMENTARY INFORMATION:

I. Background

The Federal Mediation and Conciliation Service (FMCS) works to build better, more effective workplace relationships and mitigate the damage from inevitable conflict through preventive dialogue, honest

communication, and responsive strategies. Through our mission, FMCS provides professional services to a wide range of Federal, state, and local government agencies to resolve disputes, design conflict management systems, build capacity for constructive conflict management, and strengthen inter-agency and public-private cooperation. In offering these services, FMCS recipients must agree to abide by the proposed rule to preserve the integrity of the provided services.

II. Analysis of the Regulations

Section 1406.1 General Terms of Service

Paragraphs (a) through (g) set forth general terms of service applicable to all FMCS services. More specifically:

Paragraph (a) explains that when FMCS services are chosen, recipients of the services agree to abide by the terms as well as any other terms of services provided by FMCS and will hold FMCS and any FMCS neutral harmless.

Paragraph (b) notes FMCS will determine the date, time, and manner of services in accordance with applicable statutes and regulations.

Paragraph (d) explains that any person shadowing an FMCS neutral agrees to be bound by the same confidentiality standards as the FMCS neutral, which will be honored by the parties.

Paragraph (e) notes that FMCS recognizes the importance of mediator confidentiality, and as such FMCS will not produce materials related to a mediation, with some exceptions.

Paragraph (f) states that's the section does not negate or modify FMCS's Confidential Commercial Information (CCI) regulation.

Paragraph (g) discusses that FMCS will make the terms publicly available and make a copy available to all parties upon request.

Section 1406.2 Terms of Service for Mediation, Facilitation, and Other Alternative Dispute Resolution Services

Paragraphs (a) through (g) sets forth additional terms of service specific to mediation, facilitation, & other alternative dispute resolution services provided by FMCS.

Section 1406.3 Virtual Services—Additional Terms of Service

Paragraphs (a) through (c) set forth additional terms of service specific to virtual services provided by FMCS.

Section 1406.4 Grievance Mediation and Federal Sector Inter-Agency Agreement Mediation—Additional Terms of Service

Paragraphs (a) through (e) set forth additional terms of service specific to grievance mediations and Federal sector inter-agency agreement mediations provided by FMCS.

Section 1406.5 Training and Outreach

This section sets forth additional terms of service specific to training and outreach presentations provided by FMCS.

III. Matters of Regulatory Procedure

Administrative Procedure Act

Under 5 U.S.C. 553(a)(2), rules relating to agency management or personnel are exempt from the notice and comment rulemaking requirements of the Administrative Procedure Act (APA). In addition, under 5 U.S.C. 553(b)(3)(A), notice and comment rulemaking requirements do not apply to rules concerning matters of agency organization, procedure, or practice. Given that the rule concerns matters of agency management or personnel, and organization, procedure, or practice, the notice and comment requirements of the APA do not apply here. Nor is a public hearing required under 45 U.S.C. 160a. In issuing a proposed rule on this matter, FMCS, will consider all written comments on this proposed rule that are submitted by the October 31, 2023 due date.

Executive Order 12866

This proposed rule is not a significant rule for purposes of Executive Order 12866 and has not been reviewed by the Office of Management and Budget.

Regulatory Flexibility Act

FMCS has determined under the Regulatory Flexibility Act, 5 U.S.C. chapter 6, that this proposed rule would not have a significant economic impact on a substantial number of small entities because it would primarily affect FMCS employees.

Paperwork Reduction Act

The Paperwork Reduction Act, 44 U.S.C. chapter 35, does not apply to this proposed rule because it does not contain any information collection requirements that would require the approval of the Office of Management and Budget.

Congressional Review Act

FMCS has determined that this proposed rule does not meet the definition of a rule, as defined by the Congressional Review Act, 5 U.S.C. chapter 8, and thus does not require review by Congress.

List of Subjects in 29 CFR Part 1406

Administrative practice and procedure, Labor management relations.

For the reasons discussed in the preamble, FMCS proposes to amend 29 CFR chapter XII by adding part 1406 to read as follows:
