

Malaysia Sdn. Bhd; Nordex SE; and Siemens Gamesa Renewable Energy.⁶ On November 28, 2022, we notified parties that we intended to rescind this administrative review with respect to these companies because there are no reviewable suspended entries. No parties commented on the notification of intent to rescind the review, in part. Therefore, in accordance with 19 CFR 351.213(d)(3), Commerce is rescinding this review with respect to these companies.

Methodology

We are conducting this review in accordance with section 751(a)(1)(A) of the Act. For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution from an “authority” that confers a benefit to the recipient, and that the subsidy is specific.⁷ For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum.

Preliminary Results of Review

We preliminarily find the following net countervailable subsidy rate exists for the period March 25, 2021, through December 31, 2021:

| Producer/exporter | Subsidy rate (percent <i>ad valorem</i>) |
|---------------------------|---|
| CS Wind Malaysia Sdn. Bhd | 10.96 |

SUPPLEMENTARY INFORMATION:

Background

On August 1, 2018, Commerce published in the **Federal Register** the countervailing duty (CVD) order on ripe olives from Spain.¹ On August 2, 2022, we published in the **Federal Register** a notice of opportunity to request an administrative review of the *Order*.² On October 11, 2022, based on timely requests for an administrative review, Commerce published the notice of initiation of an administrative review of the *Order* for seven companies.³ On December 14, 2022, Commerce selected Agro Sevilla Aceitunas S.Coop And. (Agro Sevilla) and Angel Camacho Alimentacion, S.L. (Camacho) as the mandatory respondents in this administrative review.⁴

On April 11, 2023, Commerce extended the deadline for the preliminary results of this review until August 31, 2023.⁵ For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁶

Scope of the Order

The products covered by the *Order* are ripe olives from Spain. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, Commerce preliminarily determines that there is a subsidy (*i.e.*, a financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the subsidy is specific). For a full description of the methodology underlying our conclusions, including our reliance, in part, on facts otherwise available pursuant to section 776(a) of the Act, see the Preliminary Decision Memorandum.

Partial Rescission of Administrative Review

Commerce’s practice is to rescind an administrative review of a CVD order, pursuant to 19 CFR 351.213(d)(3), when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁷ Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate calculated for the review period.⁸ Therefore, for an administrative review of a company to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the calculated CVD assessment rate calculated for the review period.⁹

⁷ See, *e.g.*, *Lightweight Thermal Paper from the People’s Republic of China: Notice of Rescission of Countervailing Duty Administrative Review; 2015*, 82 FR 14349 (March 20, 2017); see also *Circular Welded Carbon Quality Steel Pipe from the People’s Republic of China: Rescission of Countervailing Duty Administrative Review; 2017*, 84 FR 14650 (April 11, 2019).

⁸ See 19 CFR 351.212(b)(2).

⁹ See 19 CFR 351.213(d)(3).

On December 20, 2022, we issued a memorandum notifying parties of our intent to rescind this administrative review with respect to four companies: (1) Aceitunera del Norte de Cáceres, S.Coop.Ltda. de 2º Grado; (2) Alimentary Group Dcoop S.Coop. And.; (3) Internacional Olivarera, S.A.; and (4) Plasoliva, S.L. We received no comments from interested parties regarding our intention to rescind the review with respect to the four companies. Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR, we are rescinding this administrative review with respect to these four companies, in accordance with 19 CFR 351.213(d)(3).

Preliminary Rate for Non-Selected Companies Under Review

There is one company (*i.e.*, Aceitunas Guadalquivir, S.L.) for which a review was requested and not rescinded, and which was not selected as mandatory respondents or found to be cross-owned with a mandatory respondent. For this company, because the rates calculated for the mandatory respondents, Agro Sevilla and Camacho, were above *de minimis* and not based entirely on facts available, we are applying to the non-selected company the weighted average of the net subsidy rates calculated for Agro Sevilla and Camacho, which we calculated using the publicly-ranged sales data submitted by Agro Sevilla and Camacho.¹⁰ This methodology to establish the all-others subsidy rate is consistent with our practice and section 705(c)(5)(A) of the Act which governs the calculation of the all-others rate in an investigation. For further information on the calculation of the non-selected respondent rate, see the section in the Preliminary Decision Memorandum entitled “Non-Selected Company Rate.”

Preliminary Results of Review

We preliminarily find the following net countervailable subsidy rates exist for the period January 1, 2021, through December 31, 2021:

¹⁰ With two respondents under examination, Commerce normally calculates: (A) a weighted-average of the estimated subsidy rates calculated for the examined respondents; (B) a simple average of the estimated subsidy rates calculated for the examined respondents; and (C) a weighted-average of the estimated subsidy rates calculated for the examined respondents using each company’s publicly-ranged U.S. sale values for the merchandise under consideration. Commerce then compares (B) and (C) to (A) and selects the rate closest to (A) as the most appropriate rate for all other producers and exporters. See, *e.g.*, *Ripe Olives from Spain: Final Results of Countervailing Duty Administrative Review; 2019*, 48 FR 13970 (March 11, 2022).

| Producer/exporter | Subsidy rate (percent <i>ad valorem</i>) |
|--|---|
| Agro Sevilla Aceitunas S.Coop. And | 7.01 |
| Angel Camacho Alimentación, S.L. and its cross-owned affiliates ¹¹ | 9.12 |
| Review-Specific Average Rate Applicable to the Following Companies¹² | |
| Aceitunas Guadalquivir, S.L. ¹³ | 7.83 |

Disclosure

Commerce intends to disclose its calculations and analysis performed for these preliminary results within five days of the date of publication of these preliminary results, in accordance with 19 CFR 351.224(b).¹⁴

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily determined subsidy rates in the amounts shown above for the producer/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, CVDs on all appropriate entries covered by this review.

For the companies for which this review is rescinded with these preliminary results, we will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2021, through December 31, 2021, in accordance with 19 CFR 351.212(c)(1)(i). For the companies remaining in the review, we intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**.

If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP

¹¹ As discussed in the Preliminary Decision Memorandum, Commerce found the following companies to be cross-owned with Angel Camacho Alimentación, S.L.: Grupo Angel Camacho, S.L., Cuarterola S.L., and Cucanoche S.L.

¹² This rate is based on the rates for the respondents that were selected for individual review, excluding rates that are zero, *de minimis*, or based entirely on facts available. See section 705(c)(5)(A) of the Act.

¹³ Commerce found the following companies to be cross-owned with Aceitunas Guadalquivir, S.L.U.: Coromar Inversiones, S.L., AG Explotaciones Agrícolas, S.L.U., and Grupo Aceitunas Guadalquivir, S.L.

¹⁴ See 19 CFR 351.224(b).

not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce also intends upon publication of the final results, to instruct CBP to collect cash deposits of estimated CVDs in the amounts calculated in the final results of this review for the respective companies listed above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. If the rate calculated in the final results is zero or *de minimis*, no cash deposit will be required on shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review.

For all non-reviewed firms, CBP will continue to collect cash deposits of estimated CVDs at the all-others rate or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.
