**SUPPLEMENTARY INFORMATION:**

The IRS is currently seeking comments concerning the following information collection tools, reporting, and record-keeping requirements:

*Title:* Consent To Extend the Time To Assess Tax Under Section 367-Gain Recognition Agreement.

*OMB Number:* 1545–1395.

*Form Number:* Form 8838.

*Abstract:* Form 8838 is used to extend the statute of limitations for U.S. persons who transfer stock or securities to a foreign corporation. The form is filed when the transferor makes a gain recognition agreement. This agreement allows the transferor to defer the payment of tax on the transfer. The IRS uses Form 8838 so that it may assess tax against the transferor after the expiration of the original statute of limitations. The estimates in this notice are for estates, trusts, and tax-exempt organizations filing Form 8838.

*Current Actions:* There is no change to the existing collection. However, the estimated number of responses was reduced to eliminate duplication of burden estimates. The estimated burden for individuals filing Form 8838 is approved under OMB control number 1545–0074, and the estimated burden for businesses filing Form 8838 is approved under OMB control number 1545–0123.

*Type of Review:* Extension of a currently approved collection.

*Affected Public:* Business or other for-profit organizations.

*Estimated Number of Responses:* 200.  
*Estimated Time Per Respondent:* 8 hours, 14 minutes.

*Estimated Total Annual Burden Hours:* 1,646.

The following paragraph applies to all of the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to

respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

*Request for Comments:* Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Approved: September 1, 2023.
