Advisory Council on Blood Stem Cell Transplantation

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services.

ACTION: Notice.

SUMMARY: In accordance with the Federal Advisory Committee Act, this notice announces that the Secretary's Advisory Council on Blood Stem Cell Transplantation (ACBSCT or Advisory Council) has scheduled public meetings. Information about the Advisory Council and the agenda for these meetings can be found on the ACBSCT website at: <https://bloodstemcell.hrsa.gov/about/advisory-council>.

DATES: Thursday, September 28, 2023, 2:00 p.m.–6:00 p.m. Eastern Standard Time; and Thursday, October 26, 2023, 2:00 p.m.–6:00 p.m. Eastern Standard Time.

ADDRESSES: Both meetings will be held virtually by webinar. A link to register and join each meeting will be posted at least 10 days prior to the meeting date at: <https://bloodstemcell.hrsa.gov/about/advisory-council>.

FOR FURTHER INFORMATION CONTACT: Shelley Tims Grant, Designated Federal Official, at the HRSA Health Systems Bureau, Division of Transplantation, 5600 Fishers Lane, 8W–67, Rockville, MD 20857; 301–443–8036; or ACBSCTHRSA@hrsa.gov.

SUPPLEMENTARY INFORMATION: The Advisory Council provides advice and

recommendations to the Secretary of Health and Human Services on policy, program development, and other matters of significance concerning the activities under the authority of 42 U.S.C. 274k (section 379 of the Public Health Service Act), as amended, and Public Law 109–129, as amended. The Advisory Council may transmit its recommendations through the Administrator of HRSA on matters related to the activities of the C.W. Bill Young Cell Transplantation Program and National Cord Blood Inventory.

The agenda for the September 28, 2023, meeting is being finalized and may include the following topics: the Department of Health and Human Services' periodic review of the state of the science of using adult stem cells and birthing tissues to develop new types of therapies for patients, for the purpose of considering potential inclusion of such new therapies in the C.W. Bill Young Cell Transplantation Program; criteria for defining a high-quality cord blood unit for banking specifications; the unmet needs in blood stem cell transplantation and cellular therapy; strategies to improve rates of donation for adult blood stem cell donors; and other areas to increase blood stem cell donation and transplantation. The agenda for the October 26, 2023, meeting will be determined based on discussion, priorities, and/or action items from the September 28, 2023 meeting. All agenda items will be posted on the Advisory Council's website no later than 10 days prior to the respective meeting dates. Agenda items are subject to change as priorities dictate. Refer to the Advisory Council's website for any updated information concerning the meeting. Members of the public will have the opportunity to provide comments. Public participants may submit written statements in advance of the scheduled meetings; oral comments will be honored in the order they are requested and may be limited as time allows. Requests to submit a written statement or make oral comments to the Advisory Council should be sent to Shelley Tims Grant, using the contact information above at least 3 business days prior to the meeting. Individuals who plan to attend and need special assistance or other reasonable accommodations should notify the Advisory Council at the address and phone number listed above at least 10 business days prior to the meeting.

SUPPLEMENTARY INFORMATION:

I. Background and Authority

The ISMICC was established on March 15, 2017, in accordance with section 6031 of the 21st Century Cures Act, and the Federal Advisory Committee Act, 5 U.S.C. app., as amended, to report to the Secretary, Congress, and any other relevant federal department or agency on advances in SMI and SED, research related to the prevention of, diagnosis of, intervention in, and treatment and recovery of SMIs, SEDs, and advances in access to services and supports for adults with SMI or children with SED. In addition, the ISMICC will evaluate the effect federal programs related to SMI and SED have on public health, including public health outcomes such as: (A) rates of suicide, suicide attempts, incidence and prevalence of SMIs, SEDs, and substance use disorders, overdose, overdose deaths, emergency hospitalizations, emergency room boarding, preventable emergency room visits, interaction with the criminal justice system, homelessness, and unemployment; (B) increased rates of employment and enrollment in educational and vocational programs; (C) quality of mental and substance use disorders treatment services; or (D) any other criteria determined by the Secretary. Finally, the ISMICC will make specific recommendations for actions that agencies can take to better coordinate the administration of mental health services for adults with SMI or children with SED. Not later than one (1) year after the date of enactment of the 21st Century Cures Act, and five (5) years after such date of enactment, the ISMICC shall submit a report to Congress and any other relevant federal department or agency.

II. Membership

SUPPLEMENTARY INFORMATION:

I. Background

On Jan. 25, 2023, the U.S. Department of Homeland Security (DHS) released the Secretary's 2023 department-wide priorities. FEMA seeks this input as part of the DHS 2023 priority to improve management and administration of grant programs by simplifying application processes and improving customer service, while ensuring greater accessibility and equity for under resourced populations. For decades,
