

international calls to the point-of-contact in the United States.

**SUPPLEMENTARY INFORMATION:** The RPPA allows the BLM to lease or convey public lands to local governments for development of recreation facilities or other public purposes if the identified lands are not needed for any Federal purpose and the lease or conveyance are consistent with approved BLM land use plans. The Teton County parcels (Map Parcels 13 and 14, and 26) are located along the Snake River near Jackson, Wyoming, and are legally described as:

**Sixth Meridian, Wyoming**

T. 41 N., R. 117 W.,  
Tracts 51A and 52A.

T. 40 N., R. 116 W.,  
Sec. 34, lot 15.

The area described contains approximately 36.26 acres in Teton County, Wyoming.

Map Parcel 13, which consists of 10.94 acres, is currently authorized under a right-of-way, but facilities are not built yet. The proposed facilities are access roads, vehicle parking, recreation trails, boat ramp, and a wildlife migration corridor. The wildlife migration corridor involves coordination with Wyoming Department of Transportation (WYDOT) reconstruction of Highway 22. Map Parcel 13 would be completely developed within 5 years.

Map Parcel 14, which consists of 6.47 acres, is currently authorized under a right-of-way to build the current recreation facilities. Existing facilities on the parcel include a non-motorized pathway, recreational trails, vehicle parking, and access roads. A third (36%) of the parcel is currently encumbered by a highway and a utility right-of-way.

Map Parcel 26, which consists of 18.85 acres, is currently authorized under a right-of-way to build the current recreation facilities. Existing facilities on the parcel include vehicle circulation and parking areas, pedestrian and cyclist routes, park lawn, landscaping and irrigation, picnic shelters, park playground, public restroom facilities, kiosks, and a concrete plant ramp. Currently, the western portion is being utilized by WYDOT for a staging area for reconstruction of Highway 189/191. Teton County and WYDOT have an agreement for WYDOT to install an underpass pedestrian and vehicle tunnel. The western area will be developed once WYDOT has completed the highway project.

A map showing these parcels and additional detailed information pertaining to the environmental analysis, plan of development and site plan is available for review at the BLM Pinedale Field Office address in the

**ADDRESSES** Section and at the BLM's ePlanning site at <https://eplanning.blm.gov/eplanning-ui/project/2015655/510>.

The proposed RPPA lease and subsequent conveyance is consistent with the BLM Snake River Resource Management Plan dated April 5, 2004. The lease and conveyance documents, if issued, would be subject to the provisions of the RPPA, including a reversionary clause and the following conditions:

1. a right-of-way thereon for ditches or canals constructed by the authority of the United States, Act of August 30, 1890 (43 U.S.C. 945);

2. all minerals, together with the right to prospect for, mine, and remove such deposits for the same under applicable law and such regulations as the Secretary of the Interior may prescribe;

3. terms or conditions required by law (including, but not limited to, any terms or conditions required by 43 CFR 2741.4, and as deemed necessary or appropriate by the Authorized Officer);

4. an appropriate indemnification clause protecting the United States from claims arising out of the lessee's/patentee's use, occupancy, or operations on the leased/patented lands; and

5. subject to valid existing rights.

Upon publication of this notice in the **Federal Register**, the land described above will be segregated from all other forms of appropriation under the public land laws, including the mining laws, except for lease and conveyance under the RPPA, leasing under the mineral leasing laws, and disposals under the mineral material disposal laws.

Interested parties may submit written comments regarding the specific use proposed in the applications, plans of development, site plans, and whether the BLM followed proper administrative procedures in reaching the decision to lease and convey under the RPPA.

Comments may also address the suitability for classification of the lands for recreational facilities in Teton County and whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Before including your address, phone number, email, address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we

cannot guarantee that we will be able to do so. Only written comments submitted to the Field Manager, BLM Pinedale Field Office, will be considered properly filed. Any adverse comments will be considered protests and will be reviewed by the BLM Wyoming State Director, who may sustain, vacate, or modify this realty action.

In the absence of any adverse comments, the decision will become effective on November 13, 2023. The lands will not be available for lease and conveyance until after the decision becomes effective.

#### Notice of Western Montana Resource Advisory Council Meeting

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of public meetings.

**SUMMARY:** In accordance with the Federal Land Policy and Management Act of 1976 and the Federal Advisory Committee Act of 1972, the U.S. Department of the Interior, Bureau of Land Management's (BLM) Western Montana Resource Advisory Council (Council) will meet as follows.

**DATES:** The Council will participate in a field tour on October 2 and host a business meeting on October 3, 2023. A virtual participation option will be available. The field tour and business meeting will start at 9 a.m. Mountain Time (MT) and conclude at 4 p.m. MT. The meeting and field tour are open to the public.

**ADDRESSES:** The October 2 field tour will commence and conclude at the Dillon Field Office located at 1005 Selway Dr., Dillon, MT 59725, and the meeting will be held at the same location. Individuals who prefer to participate virtually in the meeting must register in advance. Registration information will be posted 2 weeks in advance of the meeting on the Council's web page at <https://www.blm.gov/get-involved/resource-advisory-council/near-you/montana-dakotas/western-montana-rac>.

Written comments for the Council may be sent electronically in advance of

the scheduled meeting to Public Affairs Specialist David Abrams at [dabrams@blm.gov](mailto:dabrams@blm.gov), or in writing to BLM, Western Montana District/Public Affairs, 101 N Parkmont, Butte, MT 59701. All comments will be provided to the Council.

**FOR FURTHER INFORMATION CONTACT:**

David Abrams, BLM Western Montana District Office, telephone: (406) 437-2562, email: [dabrams@blm.gov](mailto:dabrams@blm.gov). Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services for contacting Mr. Abrams. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

**SUPPLEMENTARY INFORMATION:** The Council provides recommendations to the Secretary of the Interior concerning the planning and management of the public land resources located within the BLM's Western Montana District. The Council will participate in a field tour on October 2 to public land sites within the Council's purview. Members of the public are welcome on field tours but must provide their own transportation and meals. Individuals who plan to attend and need special assistance, such as sign language interpretation and other reasonable accommodations, should contact the BLM (see **FOR FURTHER INFORMATION CONTACT**) at least 2 weeks in advance. Agenda topics for the October 3 meeting include updates and discussion on Restoration Landscape projects and funding from the Missoula and Dillon Field Offices; recreation fee proposals and increases; and other resource management issues the Council may raise. The final agenda will be published with the news release confirming the meeting details 2 weeks before the meeting.

A public comment period will be offered October 3 at 3:30 p.m. MT. Depending on the number of persons wishing to speak and the time available, the amount of time for oral comments may be limited.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. While the field tour and business

meeting are scheduled from 9 a.m. to 4 p.m., they may end earlier or later depending on the needs of group members. Therefore, members of the public interested in a specific agenda item or discussion at the October 3 meeting should schedule their arrival accordingly.

Detailed minutes for Council meetings will be maintained in the BLM Western Montana District Office. Minutes will also be posted to the Council's web page at <https://www.blm.gov/get-involved/resource-advisory-council/near-you/montana-dakotas/western-montana-rac>.
