and Commerce initiated,³ the first sunset review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). On August 2, 2023, the ITC published its determination, pursuant to sections 751(c) and 752(a) of the Act, that revocation of the *Order* would likely lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.⁵

Scope of the Order

The scope of the *Order* covers certain hot-rolled products of carbon steel and alloy steel, in coils, of approximately round cross section, less than 19.00 mm in actual solid cross-sectional diameter.
