## SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–325, OMB Control No. 3235–0385]

### Proposed Collection; Comment Request; Extension: Rule 15g–9

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995

(“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Rule 15g–9 (17 CFR 240.15g–9) (the “Rule”), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (the “Exchange Act”). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Section 15(c)(2) of the Exchange Act (15 U.S.C. authorizes the Commission to promulgate rules that prescribe means reasonably designed to prevent fraudulent, deceptive, or manipulative practices in connection with over-the-counter (“OTC”) securities transactions. Pursuant to this authority, the Commission in 1989 adopted Rule 15c2–6, which was subsequently redesignated as Rule 15g–9, 17 CFR 240.15g–9. The Rule requires broker-dealers to produce a written suitability determination for, and to obtain a written customer agreement to, certain recommended transactions in penny stocks that are not registered on a national securities exchange, and whose issuers do not meet certain minimum financial standards. The Rule is intended to prevent the indiscriminate use by broker-dealers of fraudulent, high pressure telephone sales campaigns to sell penny stocks to unsophisticated customers.

The Commission staff estimates that approximately five percent of registered broker-dealers, or 175 broker-dealers,<sup>1</sup> are subject to the Rule (5% × approximately 3,497 registered broker-dealers = 175 broker-dealers). As indicated above, the burden of the Rule on a respondent varies widely depending on the frequency with which new customers are solicited. On average, for all respondents, the staff has estimated that respondents process three new customers per week, or approximately 156 new customers requiring suitability determinations per year. We also estimate that a broker-dealer would take approximately one-half hour per new customer in obtaining, reviewing, and processing (including transmitting to the customer) the information required by Rule 15g–9, and each respondent would consequently spend 78 hours annually (156 new customers × .5 hours) obtaining the information required in the Rule. This would result in 27,300 annual responses per year for all respondents (175 respondents × 156

<sup>1</sup> As of July 1, 2023, there are 3,497 registered broker-dealers. 5% of 3,497 is 174.85, rounded up to 175.

new customer suitability determinations per year). We determined, based on the estimate of 175 broker-dealer respondents, that the annual hour burden of Rule 15g–9 is 13,650 hours (175 respondents × 78 hours).

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted by November 13, 2023.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

### Submission for OMB Review; Comment Request; Extension: Exchange Act Form 10–K

## SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-096, OMB Control No. 3235-0151]

### Proposed Collection; Comment Request; Extension: Rule 17Ac3-1(a) and Form TA-W

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission

("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information provided for in Rule 17Ac3-1(a) (17 CFR 240.17Ac3-1(a)) and Form TA-W (17 CFR 249b.101), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Section 17A(c)(4)(B) of the Securities Exchange Act of 1934 (15 U.S.C. 78c(a)(34)(B)) authorizes transfer agents registered with an appropriate regulatory agency ("ARA") to withdraw from registration by filing with the ARA a written notice of withdrawal and by agreeing to such terms and conditions as the ARA deems necessary or appropriate in the public interest, for the protection of investors, or in the furtherance of the purposes of Section 17A.

In order to implement Section 17A(c)(4)(B) of the Exchange Act, the Commission promulgated Rule 17Ac3-1(a) and accompanying Form TA-W on September 1, 1977. Rule 17Ac3-1(a) provides that notice of withdrawal of registration as a transfer agent with the Commission shall be filed on Form TA-W. Form TA-W requires the withdrawing transfer agent to provide the Commission with certain information, including: (1) the locations where transfer agent activities are or were performed; (2) the reasons for ceasing the performance of such activities; (3) disclosure of unsatisfied judgments or liens; and (4) information regarding successor transfer agents.

The Commission uses the information disclosed on Form TA-W to determine whether the registered transfer agent applying for withdrawal from registration as a transfer agent should be allowed to deregister and, if so, whether the Commission should attach to the granting of the application any terms or conditions necessary or appropriate in the public interest, for the protection of investors, or in furtherance of the purposes of Section 17A of the Exchange Act. Without Rule 17Ac3-1(a) and Form TA-W, transfer agents registered with the Commission would not have a means to voluntarily deregister if it is necessary or appropriate to do so.

On average, respondents have filed approximately 50 TA-Ws with the Commission annually from 2020 to 2023. A Form TA-W filing occurs only once, when a transfer agent is seeking deregistration. In view of the readily available information requested by Form TA-W, its short and simple presentation, and the Commission's experience with the filers, we estimate

that approximately 30 minutes is required to complete and file Form TA-W. Thus, the total annual time burden to the transfer agent industry is approximately 25 hours (50 filings × 0.5 hours). We estimate that the internal labor cost of compliance per filing is \$39 (0.5 hours × \$78 average hourly rate for clerical staff time).<sup>1</sup> Thus, the total internal compliance cost per year is thus approximately \$975 (25 hours × \$39 = \$975).

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted by November 13, 2023.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
