The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

OFFICE OF PERSONNEL MANAGEMENT

[Docket ID: OPM-2023-0033]

Privacy Act of 1974; System of Records

AGENCY: Office of Personnel Management.

ACTION: Notice of a new system of records.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, the Office of Personnel Management (OPM) proposes to establish a new government-wide system of records titled "OPM/GOVT-11 Federal Fair Chance Act Complaint Records."

DATES: Submit comments on or before October 16, 2023. This new system is effective upon publication in the **Federal Register**, except for the routine uses, which are effective October 19, 2023.

ADDRESSES: You may submit written comments through the:

- *Federal Rulemaking Portal*: <https://www.regulations.gov>.

All submissions received must include the agency name and docket number for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <https://www.regulations.gov> as they are

received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: For general questions, please contact: Timothy Curry, Deputy Associate Director, Employee Services, Accountability and Workforce Relations, Office of Personnel Management, at (202) 606–2930 or employeeaccountability@opm.gov. For privacy questions, please contact: Marc Flaster, Acting Senior Agency Official for Privacy, Office of Personnel Management, at (202) 606–2115 or privacy@opm.gov.

SUPPLEMENTARY INFORMATION: In accordance with the Privacy Act of 1974, 5 U.S.C. 552a, OPM proposes to establish a new system of records titled “OPM/GOVT–11 Federal Fair Chance Act Complaint Records.” This system of records will enable Federal agencies to collect and maintain complaint records pertaining to the Fair Chance to Compete for Jobs Act of 2019 or the Fair Chance Act, 5 U.S.C. 9201–9206 (“FCA” or “the Act”).

The FCA limits the circumstances in which agencies may request criminal history information from an applicant prior to extending a conditional offer of employment. In addition, the FCA requires OPM to establish a complaint process by which applicants for appointment to a position in the civil service may submit a complaint, or any other information, relating to compliance with the requirements of the Act. Furthermore, the Act establishes requirements and procedures regarding penalties for violations.

The FCA directs OPM to establish and publish procedures under which an applicant for an appointment to a position in the civil service may submit a complaint, or any other information, relating to compliance by an employee of an agency with 5 U.S.C. 9202. The complaint, or any other information, is submitted to and maintained by the employing agency until such time as the complaint is referred to OPM or OPM requests the records.

The records in this system of records include the applicant’s complaint or any other information submitted by the applicant and the agency’s investigative report, which includes the agency’s factual findings; a complete copy of all information gathered during the investigation, including documentary and testimonial evidence; any other information the agency believes OPM should consider; and any additional information OPM requests the agency provide. In addition, the records include OPM’s written notification to the agency

and the subject(s) of the complaint regarding OPM’s assessment of the complaint, including whether to dismiss the complaint or that a violation may have occurred such that OPM is initiating adverse action proceedings under 5 CFR part 754, subpart B.

This proposed Government-wide system of records will include the complaint records in the custody and control of the agencies as well as those with OPM. OPM has provided a report of this system of records to the Committee on Oversight and Government Reform of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, and the Office of Management and Budget (OMB), pursuant to 5 U.S.C. 552a(r) and OMB Circular A–108, “Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act,” dated December 23, 2016. This system of records will be included in the OPM’s inventory of records systems.

Dated: September 11, 2023.

Kayyonne Marston,

Federal Register Liaison.
