GSA identified the following resources for analysis of both beneficial and adverse potential impacts: cultural resources; aesthetic and visual resources; land use and zoning; community facilities; socioeconomic and environmental justice; greenhouse gas, climate change, and embodied carbon; hazardous materials and solid waste; air quality; noise; health and safety; and transportation and traffic. The Draft EIS considers measures that would avoid, minimize, or mitigate identified adverse impacts. GSA welcomes public input on these potential impacts.

National Historic Preservation Act

In addition to NEPA, consultation under section 106 of the NHPA is occurring concurrently with the NEPA process. Two of the three buildings being considered for demolition are the Century Building (202 South State Street) and the Consumers Building (220 South State Street), which are historic resources that contribute to the Loop Retail Historic District listed in the National Register of Historic Places (NRHP). In this proposed action, 214 South State Street is being treated as eligible for listing in the NRHP as a contributing resource to the Loop Retail Historic District.

Schedule for Decision-Making Process

The following is a list of estimated time frames to complete the NEPA process:

- Draft EIS Public Comment Period: September 15 to October 31, 2023
