Brookfield White Pine Hydro, LLC, Merimil Limited Partnership, Hydro-Kennebec, LLC; Notice of Revised Procedural Schedule for Environmental Impact Statement for the Proposed Project Relicense, Interim Species Protection Plan, and Final Species Protection Plan

On January 31, 2020, Brookfield White Pine Hydro, LLC filed an application for a new license to continue to operate and maintain the 8.65-megawatt (MW) Shawmut Hydroelectric Project No. 2322 (Shawmut Project). On June 1, 2021, in a separate compliance proceeding for the Shawmut Project, Brookfield White Pine Hydro, LLC filed an Interim Species Protection Plan (Interim Plan) for Atlantic salmon and requested Commission approval to amend the current Shawmut license to incorporate the Interim Plan. The Interim Plan includes measures to protect endangered Atlantic salmon until the Commission issues a decision on the relicense application for the Shawmut Project.

Also on June 1, 2021, Brookfield Power US Asset Management, LLC (Brookfield), on behalf of the affiliated licensees for the 6.915–MW Lockwood Hydroelectric Project No. 2574, 15.433–MW Hydro-Kennebec Hydroelectric

Project No. 2611, and 15.98-MW Weston Hydroelectric Project No. 2325, filed a Final Species Protection Plan (Final Plan) for Atlantic salmon, Atlantic sturgeon, and shortnose sturgeon and requested Commission approval to amend the three project licenses to incorporate the Final Plan. All four projects are located on the Kennebec River, in Kennebec and Somerset Counties, Maine.

On November 23, 2021, Commission staff issued a notice of intent to prepare a draft and final Environmental Impact Statement (EIS) to evaluate the effects of relicensing the Shawmut Project and amending the licenses of all four projects to incorporate the measures in the Interim and Final Plans. The notice of intent included a schedule for preparing a draft and final EIS. The schedule was updated on February 15, 2023, in response to Brookfield’s filing of supplemental information for the Final Plan, Interim Plan, and License Application.

On March 29, 2023, Commission staff initiated Tribal consultation with potentially affected Indian Tribes on the proposed license amendments. The Houlton Band of Maliseet Indians filed comments and recommendations on May 4, 2023, and the Penobscot Indian Nation filed comments and recommendations on May 1, 2023, and August 17, 2023. The EIS will consider the comments and recommendations from the Tribes. Therefore, by this notice, Commission staff is updating the procedural schedule for completing a draft and final EIS.

The revised schedule is shown below. Further revisions to the schedule may be made as appropriate.

Milestone	Target date
Issue Draft EIS	March 2024.
Issue Final EIS	September 2024.

Any questions regarding this notice may be directed to Matt Cutlip at (503) 552–2762, or by email at matt.cutlip@ferc.gov.
