SUPPLEMENTARY INFORMATION:

Title: Nonemployee Compensation.

OMB Number: 1545–0116.

Form Project Number: Form 1099–NEC.

Abstract: Form 1099–NEC is used to report nonemployee compensation, nonqualified deferred compensation (NQDC) and cash payments for fish.

Current Actions: Editorial changes being made to the form and instructions, to update the tax year references will have a nominal effect on burden. Updates to the estimated number of annual responses for Form 1099–NEC will increase the overall burden estimate by 16,353,674 hours.

Type of Review: Revision of a currently approved collection.

Affected Public: Individuals or households, business or other for-profit organization, and not-for-profit institution.

Estimated Number of Responses: 101,154,000.

Estimated Time per Respondent: 13 min.

Estimated Total Annual Burden Hours: 22,253,880.

The following paragraph applies to all the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number.

Books or records relating to a collection of information must be retained if their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Desired Focus of Comments: The Internal Revenue Service (IRS) is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility.

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used.

- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, by permitting electronic submissions of responses.

Comments submitted in response to this notice will be summarized and/or included in the ICR for OMB approval of the extension of the information collection; they will also become a matter of public record.

Approved: September 19, 2023.
