Proposed Reallotment of Fiscal Year 2022 Funds for the Low Income Home Energy Assistance Program

AGENCY: Office of Community Services, Administration for Children and Families, Department of Health and Human Services.

ACTION: Notice of public comment.

SUMMARY: The Administration for Children and Families (ACF), Office of Community Service (OCS), Division of Energy Assistance announces a preliminary determination that funds from the Federal fiscal year (FFY) 2022 Low Income Home Energy Assistance Program (LIHEAP) are available for reallotment to States, Territories, Tribes, and Tribal organizations that received FFY 2023 direct LIHEAP grants. The purpose of this award is to redistribute FFY 2022 annual LIHEAP funds that grant recipients were unable to obligate or carry over to FFY 2023. No sub-recipients of these grant recipients or other entities may apply for these funds.

DATES: Comments are due by: October 26, 2023.
ADDRESSES: Comments may be submitted to: Peter Edelman, Program Analyst, Office of Community Services, Administration for Children and Families, 330 C Street SW, 5th Floor; Mail Room 5425; Washington, DC 20201 or via email: peter.edelman@acf.hhs.gov. Comments may also be faxed to 202–401–5661.

FOR FURTHER INFORMATION CONTACT: Akm Rahman, Program Operations Branch Chief, Division of Energy Assistance, Office of Community Services, 330 C Street SW, 5th Floor; Mail Room 5425; Washington, DC, 20201. Telephone: 202–401–5306; email: Akm.Rahman@acf.hhs.gov.

SUPPLEMENTARY INFORMATION: After receiving Federal Financial Reports (FFRs) and Carryover and Reallotment Reports (CRRs) from FFY 2022 LIHEAP recipients, ACF has determined that \$21,985,238 in FFY 2022 LIHEAP funds were available for reallotment for FFY 2023. This determination was based on the reports of 73 recipients, the total obligations of 3 recipients, and minor corrections to certain amounts available for carryover. LIHEAP recipients submitted the FFY 2022 CRRs to OCS, as required by regulations applicable to LIHEAP at 45 CFR 96.81(b).

The LIHEAP statute allows grant recipients who have funds unobligated at the end of the FFY for which they are awarded to request that they be allowed to carry over up to 10 percent of their full-year allotments to the next FFY (42 U.S.C. 8626(b)(2)). Funds in excess of this amount must be returned to the U.S. Department of Health and Human

Services and are subject to reallotment under 42 U.S.C. 8626(b)(1).

FFY 2022 funds appropriated under the American Rescue Plan Act of 2022 (Pub. L. 117–2) were not subject to 42 U.S.C. 8626(b)(2)(B), which caps carryover at 10 percent. Therefore, these funds were not included in the reallotment calculation.

In accordance with 42 U.S.C. 8626(b)(3), ACF notified each of the 76 recipients that reported or, in the absence of reporting, had potentially \$21,985,238 of unobligated funds above their carryover caps. In these notices, ACF told each about the amount it returned for de-obligation and the amount that will be redistributed to FFY 2023 grant recipients as part of the reallotment. It also gave each recipient 30 calendar days to provide comments directly to ACF.

If funds are reallotted, then they will be allocated in accordance with 42 U.S.C. 8623 and must be treated by LIHEAP grant recipients that receive them as an amount appropriated for FFY 2023. As FFY 2023 funds, they will be subject to all requirements of the LIHEAP statute, including 42 U.S.C. 8626(b)(2), which requires that a grantee obligate at least 90 percent of its total block grant allocation for a fiscal year by the end of the fiscal year for which the funds are appropriated; that is, by September 30, 2023.

All LIHEAP grant recipients that receive a portion of these funds will be notified of the final reallotment amount redistributed to them for obligation in FFY 2023. This decision will also be published in the **Federal Register** and in a Dear Colleague Letter that is posted to

ACF's website under LIHEAP Dear Colleague Letters.

Additionally, all recipients of these funds must (1) ensure that they are included in the amounts on Lines 1.1 of their FFY 2023 CRRs; (2) reconcile these funds, to the extent that they received them, on a separate FFR; and (3) record, on their FFY 2023 Household Reports, households that receive benefits at least partly from these funds.
