ACTION: 30-day notice and request for comments.

SUMMARY: The Emergency Communications Division (ECD) within Cybersecurity and Infrastructure Security Agency (CISA) will submit the following information collection request (ICR) to the Office of Management and Budget (OMB) for review and clearance. DATES: Comments are encouraged and will be accepted until October 27, 2023.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. SUPPLEMENTARY INFORMATION: The Emergency Communications Division, formed under title XVIII of the Homeland Security Act of 2002, 6 U.S.C. 571 *et seq.*, as amended, provides emergency communications-related technical assistance at no charge to State, regional, local, and tribal government officials. To receive this technical assistance, stakeholders must submit a request form identifying their priorities. For ECD to assess the value of the services it provides through technical assistance; an evaluation form is also requested of those receiving technical assistance.

ECD uses the Technical Assistance Request Form (DHS Form 9043) to identify the number and type of technical assistance services needed by the State, Territory, local, and Tribal agencies. This information enables ECD to plan and align resources accordingly. ECD considers each request based on the priority indicated by the State, as well as the anticipated impact of the service offering on the implementation of the Statewide Communications Interoperability Plan (SCIP) and the applicability to National Emergency Communications Plan (NECP).

The evaluation form (DHS Form 9042) is completed by stakeholders at the completion of ECD technical assistance services and enables ECD to assess the quality of technical assistance services provided and, in a holistic fashion, measure the value of the services. The information collected through these evaluations is used by ECD for continued improvement planning.

Approximately 100 percent of request and evaluation forms are submitted electronically by logging into the portal at <https://www.cisa.gov/safecom/ictapscip-resources>.

From the website, users are able to select the appropriate form, either the Technical Assistance Requests (DHS Form 9043) and/or the TA Evaluation forms (DHS Form 9042), to complete as a fillable PDF. Each form is then submitted by email to either TARrequest@cisa.dhs.gov or TAevaluations@cisa.dhs.gov, respectively.

The changes to the collection since the previous OMB approval include: Updating the web address, decreasing the estimated number of responses, decreasing the burden time, and increasing the cost estimates. This is a renewal of the existing information collection that expired on 7/31/2023. There are no substantial changes to the
