Final Results of Review

Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, no later than 120 days after the date of publication of this notice, unless this deadline is otherwise extended.¹¹ The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future cash deposits of estimated antidumping duties, where applicable.¹²

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b)(1), Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this administrative review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

For an individually examined respondent whose weighted-average dumping margin is not zero or *de minimis* (*i.e.*, 0.50 percent), upon completion of the final results, Commerce will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales and the total entered value of those sales. Where we do not have entered values for all U.S. sales to a particular importer, we will calculate a per-unit assessment rate on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales and the total quantity of those sales.¹³ To determine whether the duty assessment rate is *de minimis*, in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we will calculate an estimated importer-specific

ad valorem rate based on the estimated entered value. Where either a respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific *ad valorem* rate is zero or *de minimis*, we will instruct CBP to liquidate appropriate entries without regard to antidumping duties.¹⁴

For entries of subject merchandise during the POR produced by an individually examined respondent for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Bothwell will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent, and therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for an exporter not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which they were reviewed; (3) if the exporter is not a firm covered in a review or the less-than-fair-value (LTFV) investigation but the producer is, then the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 116.17 percent, the all-others rate established in the LTFV investigation.¹⁵

These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR

351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

These preliminary results are being issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: September 22, 2023.

Assistant Secretary for Enforcement and Compliance.
