

TABLE 1—RECIPIENTS AND AWARD AMOUNTS

Grant No.	Award recipient name	City, state	Award amount
U07MC37471	University of Texas at Austin	Austin, TX	\$1,000,000

Justification: In fiscal year 2022, Congress provided additional funding for the PMHCA program and expanded the allowable activities for PMHCA programs to include support for hospital emergency departments to address the growing behavioral health needs among children and adolescents. This supplemental funding to the existing Emergency Medical Services for Children Innovation and Improvement Center recipient will support continued expansion of PMHCA programs in providing training and tele-consult support to providers in emergency departments and other settings, consistent with the additional authority enacted by Congress.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Notice of Supplemental Award; National Center for Newborn Screening Systems Excellence Funding Supplement

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services.

ACTION: Notice of supplemental award.

SUMMARY: HRSA will provide supplemental funding to the National Center for Newborn Screening Systems Excellence in fiscal year 2023.

FOR FURTHER INFORMATION CONTACT: Kim Morrison, Public Health Analyst, Division of Services for Children with Special Health Needs, Maternal and

Child Health Bureau, Health Resources and Services Administration, at *KMorrison@hrsa.gov* and 301–443–6672.

SUPPLEMENTARY INFORMATION:

Intended Recipient of the Award: The Association of Public Health Laboratories.

Amount of Non-Competitive Award: \$425,000. Supplemental funding for similar activities may be considered in fiscal year 2024, subject to availability of funding for the activity and satisfactory performance of the recipient.

Project Period: July 1, 2023, to June 30, 2028.

CFDA Number: 93.110.

Award Instrument: Supplement for Services.

Authority: 42 U.S.C. 300b–8 (Public Health Service Act section 1109, as amended).

TABLE 1—RECIPIENT AND AWARD AMOUNT

Grant No.	Award recipient name	City, state	Award amount
U22MC24078	Association of Public Health Laboratories	Silver Spring, MD ...	\$425,000

Justification: The National Center for Newborn Screening Systems Excellence provides national leadership, technical assistance, and quality improvement expertise to state and territory newborn screening programs. Additional funding will support emerging needs in the newborn screening community and state laboratories, specifically addressing newborn screening condition naming, counting, testing, assessing health gaps in follow-up, and assessing domains of family outcomes.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

National Vaccine Injury Compensation Program; List of Petitions Received

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: HRSA is publishing this notice of petitions received under the National Vaccine Injury Compensation Program (the Program), as required by the Public Health Service (PHS) Act, as amended. While the Secretary of HHS is named as the respondent in all proceedings brought by the filing of petitions for compensation under the Program, the United States Court of Federal Claims is charged by statute with responsibility for considering and acting upon the petitions.

FOR FURTHER INFORMATION CONTACT: For information about requirements for filing petitions, and the Program in general, contact Lisa L. Reyes, Clerk of

Court, United States Court of Federal Claims, 717 Madison Place NW, Washington, DC 20005, (202) 357–6400. For information on HRSA’s role in the Program, contact the Director, National Vaccine Injury Compensation Program, 5600 Fishers Lane, Room 08N146B, Rockville, Maryland 20857; (301) 443–6593, or visit our website at: <http://www.hrsa.gov/vaccinecompensation/index.html>.

SUPPLEMENTARY INFORMATION: The Program provides a system of no-fault compensation for certain individuals who have been injured by specified childhood vaccines. Subtitle 2 of title XXI of the PHS Act, 42 U.S.C. 300aa–10 *et seq.*, provides that those seeking compensation are to file a petition with the United States Court of Federal Claims and to serve a copy of the petition to the Secretary of HHS, who is named as the respondent in each proceeding. The Secretary has delegated this responsibility under the Program to HRSA. The Court is directed by statute to appoint special masters who take evidence, conduct hearings as appropriate, and make initial decisions

as to eligibility for, and amount of, compensation.

A petition may be filed with respect to injuries, disabilities, illnesses, conditions, and deaths resulting from vaccines described in the Vaccine Injury Table (the Table) set forth at 42 CFR 100.3. This Table lists for each covered childhood vaccine the conditions that may lead to compensation and, for each condition, the time period for occurrence of the first symptom or manifestation of onset or of significant aggravation after vaccine administration. Compensation may also be awarded for conditions not listed in the Table and for conditions that are manifested outside the time periods specified in the Table, but only if the petitioner shows that the condition was caused by one of the listed vaccines.

Section 2112(b)(2) of the PHS Act, 42 U.S.C. 300aa-12(b)(2), requires that “[w]ithin 30 days after the Secretary receives service of any petition filed under section 2111 the Secretary shall publish notice of such petition in the **Federal Register**.” Set forth below is a list of petitions received by HRSA on August 1, 2023, through August 31, 2023. This list provides the name of the petitioner, city, and state of vaccination (if unknown then the city and state of the person or attorney filing the claim), and case number. In cases where the Court has redacted the name of a petitioner and/or the case number, the list reflects such redaction.

Section 2112(b)(2) also provides that the special master “shall afford all interested persons an opportunity to submit relevant, written information” relating to the following:

1. The existence of evidence “that there is not a preponderance of the evidence that the illness, disability, injury, condition, or death described in the petition is due to factors unrelated to the administration of the vaccine described in the petition,” and

2. Any allegation in a petition that the petitioner either:

a. “[S]ustained, or had significantly aggravated, any illness, disability, injury, or condition not set forth in the Vaccine Injury Table but which was caused by” one of the vaccines referred to in the Table, or

b. “[S]ustained, or had significantly aggravated, any illness, disability, injury, or condition set forth in the Vaccine Injury Table the first symptom or manifestation of the onset or significant aggravation of which did not occur within the time period set forth in the Table but which was caused by a vaccine” referred to in the Table.

In accordance with section 2112(b)(2), all interested persons may submit

written information relevant to the issues described above in the case of the petitions listed below. Any person choosing to do so should file an original and three (3) copies of the information with the Clerk of the United States Court of Federal Claims at the address listed above (under the heading “For Further Information Contact”), with a copy to HRSA addressed to Director, Division of Injury Compensation Programs, Health Systems Bureau, 5600 Fishers Lane, 08N146B, Rockville, Maryland 20857. The Court’s caption (Petitioner’s Name v. Secretary of HHS) and the docket number assigned to the petition should be used as the caption for the written submission. Chapter 35 of Title 44, United States Code, related to paperwork reduction, does not apply to information required for purposes of carrying out the Program.

BILLING CODE 4165–15–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Notice of Request for Public Comments on a Draft Recommendation To Update the HRSA-Supported Women’s Preventive Services Guideline Relating to Screening for Urinary Incontinence

AGENCY: Health Resources and Services Administration (HRSA), U. S. Department of Health and Human Services.

ACTION: Notice.

SUMMARY: This notice seeks comments on a draft recommendation to update the HRSA-supported Women’s Preventive Services Guidelines (“Guidelines”) relating to Screening for Urinary Incontinence. This draft recommendation has been developed through a cooperative agreement, known as the Women’s Preventive Services Initiative (WPSI), with the American College of Obstetricians and Gynecologists (ACOG), through which they convene health professionals to develop draft recommendations. Under applicable law, non-grandfathered group health plans and health insurance issuers must include coverage, without

cost sharing, for certain preventive services, including those provided for in the HRSA-supported Guidelines. The Departments of Labor, Health and Human Services, and Treasury have previously issued regulations, which describe how group health plans and health insurance issuers apply the coverage requirements.

DATES: Members of the public are invited to provide written comments no later than October 30, 2023. All comments received on or before this date will be reviewed and considered by WPSI and provided for further consideration by HRSA in determining the recommended update that it will support.

ADDRESSES: Members of the public who wish to provide comments can do so by accessing the public comment web page at <https://www.womenspreventivehealth.org/>.

FOR FURTHER INFORMATION CONTACT: Kimberly Sherman, HRSA, Maternal and Child Health Bureau, telephone (301) 443–8283, email: wellwomancare@hrsa.gov.

SUPPLEMENTARY INFORMATION: Under section 1001(5) of the Patient Protection and Affordable Care Act, Public Law 111–148, which added section 2713 to the Public Health Service Act, 42 U.S.C. 300gg-13, the preventive care and screenings set forth in the Guidelines are required to be covered without cost-sharing by certain group health plans and health insurance issuers. HRSA established the Guidelines in 2011 based on expert recommendations by the Institute of Medicine, now known as the National Academy of Medicine, developed under a contract with the Department of Health and Human Services. Since 2011, there have been advancements in science and gaps identified in these guidelines, including a greater emphasis on practice-based clinical considerations. Since 2016, HRSA has funded cooperative agreements with ACOG for WPSI to convene a coalition representing clinicians, academics, and consumer-focused health professional organizations to conduct a rigorous review of current scientific evidence, solicit and consider public input, and make recommendations to HRSA regarding updates to the Guidelines to improve women’s health across the lifespan. HRSA then determines whether to support, in whole or in part, the recommended updates to the Guidelines. WPSI consists of an Advisory Panel and two expert committees, the Multidisciplinary Steering Committee and the Dissemination and Implementation
