SUPPLEMENTARY INFORMATION:

Background

The EEOC is seeking public comments on all aspects of its proposed “Enforcement Guidance on Harassment in the Workplace” (proposed guidance) pursuant to 29 CFR part 1695. The proposed guidance presents a legal analysis of standards for harassment and employer liability applicable to claims of harassment under the equal employment opportunity statutes enforced by the Commission. The Commission posted and requested public input on a proposed guidance on workplace harassment in January 2017, which was not finalized.

The contents of the final guidance document will not have the force and effect of law and are not meant to bind the public in any way. The document is intended only to provide clarity to the public regarding Commission policies and existing requirements under the law. The standards discussed under EEOC-enforced laws will not necessarily apply to allegations of unlawful harassment under other Federal laws or under State or local laws.

For the Commission:
Charlotte A. Burrows,
Chair.

SUPPLEMENTARY INFORMATION:

Nominations are being sought for individuals who have expertise and qualifications necessary to contribute to the accomplishments of the committee's objectives. Nominees will be selected based on expertise in the fields of breast health, breast cancer, disease prevention and risk reduction, survivorship (including metastatic breast cancer), hereditary breast and ovarian cancer (HBOC), or in related disciplines with a specific focus on young women. Persons with personal experience with early onset breast cancer are also eligible to apply. This includes but may not be limited to breast cancer survivors <45 years of age and caregivers of said persons. Federal employees will not be considered for membership. Members may be invited to serve up to four-year terms. Selection of members is based on candidates' qualifications to contribute to the accomplishment of ACBCYW objectives (<http://www.cdc.gov/maso/facm/facmacbcyw.html>).

The U.S. Department of Health and Human Services policy stipulates that committee membership be balanced in terms of points of view represented, and the committee's function. Appointments shall be made without discrimination on the basis of age, race, ethnicity, gender, sexual orientation, gender identity, HIV status, disability, and cultural, religious, or socioeconomic status. Nominees must be U.S. citizens and cannot be full-time employees of the U.S. Government. Current participation on federal workgroups or prior experience serving on a federal advisory committee does not disqualify a candidate; however, HHS policy is to avoid excessive individual service on

advisory committees and multiple committee memberships. Committee members are Special Government Employees, requiring the filing of financial disclosure reports at the beginning and annually during their terms. CDC reviews potential candidates for ACBCYW membership each year and provides a slate of nominees for consideration to the Secretary of HHS for final selection. HHS notifies selected candidates of their appointment near the start of the term in November 2024, or as soon as the HHS selection process is completed. Note that the need for different expertise varies from year to year and a candidate who is not selected in one year may be reconsidered in a subsequent year. SGE nominees must be U.S. citizens and cannot be full-time employees of the U.S. Government. Candidates should submit the following items:

- Current curriculum vitae, including complete contact information (telephone numbers, mailing address, email address).
- At least one letter of recommendation from person(s) not employed by the U.S. Department of Health and Human Services. (Candidates may submit letter(s) from current HHS employees if they wish, but at least one letter must be submitted by a person not employed by an HHS agency (e.g., CDC, NIH, FDA, etc.).
- A short biography (150 words or less).

Nominations may be submitted by the candidate him- or herself, or by the person/organization recommending the candidate.

The Director, Office of Strategic Business Initiatives, Office of the Chief Operating Officer, Centers for Disease Control and Prevention, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.
