SUPPLEMENTARY INFORMATION:

Background

The EEOC is seeking public comments on all aspects of its proposed “Enforcement Guidance on Harassment in the Workplace” (proposed guidance) pursuant to 29 CFR part 1695. The proposed guidance presents a legal analysis of standards for harassment and employer liability applicable to claims of harassment under the equal employment opportunity statutes enforced by the Commission. The Commission posted and requested public input on a proposed guidance on workplace harassment in January 2017, which was not finalized.

The contents of the final guidance document will not have the force and effect of law and are not meant to bind the public in any way. The document is intended only to provide clarity to the public regarding Commission policies and existing requirements under the law. The standards discussed under EEOC-enforced laws will not necessarily apply to allegations of unlawful harassment under other Federal laws or under State or local laws.

For the Commission:
Charlotte A. Burrows,
Chair.
