

provided conditions in which the agency will provide funding.

This MPR demonstration program continues to adjust the various opportunities available to demonstrate effective methods of providing the needed financial resources not otherwise available to current owners and transferees. Using alternative forms of financing, these owners will preserve existing Agency-financed Rural Rental Housing and Farm Labor Housing and extend the property's useful life for tenants meeting RD eligibility requirements. Since the inception of the MPR demonstration program in 2006, revisions and adjustments in the nature of the program have necessitated certain revisions in the context, formatting, and use of the original forms in this package to permit RD's ability to provide these needed financial opportunities.
