SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-557, OMB Control No. 3235-0618]

Proposed Collection; Comment Request; Extension: Rule 173

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Securities Act Rule 173 (17 CFR 230.173) provides a notice of registration to investors who purchased securities in a registered offering under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*). A Rule 173 notice must be provided by underwriter or dealer to each investor who purchased securities from the underwriter or dealer. The Rule 173 notice is not publicly available. We estimate that it takes approximately 0.0167 hour per response to provide the information required under Rule 173 and that the information is filed by approximately 5,720 respondents approximately 43,546 times a year for a total of 249,083,120 responses. We estimate that the total annual reporting burden for Rule 173 is 4,159,688 hours (0.0167 hours per response × 249,083,120 responses).

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of

information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication by December 4, 2023.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct your written comment to David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.

Dated: September 28, 2023.

Proposed Collection; Comment Request; Extension: Rule 163

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 163 (17 CFR 230.163) provides an exemption from Section 5(c) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) for certain communications by or on behalf of a well-known seasoned issuer. The information filed under Rule 163 is publicly available. We estimate that it takes approximately 0.375 burden hours per response to provide the information required under Rule 163 and that the information is filed by approximately 12 respondents for a total annual reporting burden of one hour. We estimate that 25% of 0.375 hours per response (0.09375 hours) is prepared by the respondent for a total annual burden of 1 hour (0.09375 hours per response × 12 responses).

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.
