SUPPLEMENTARY INFORMATION:

Committee Name: Interdepartmental Substance Use Disorders Coordinating Committee (ISUDCC).

I. Background and Authority

The Interdepartmental Substance Use Disorders Coordinating Committee is required under section 7022 of the Substance Use-Disorder Prevention that Promotes Opioid Recovery and Treatment for Patients and Communities Act (SUPPORT Act, Pub. L. 115–271) to accomplish the following duties: (1) identify areas for improved coordination of activities, if any, related to substance use disorders, including research, services, supports, and prevention activities across all relevant Federal agencies; (2) identify and provide to the Secretary recommendations for improving Federal programs for the prevention and treatment of, and recovery from, substance use disorders, including by expanding access to prevention, treatment, and recovery services; (3) analyze substance use disorder prevention and treatment strategies in different regions of and populations in the United States and evaluate the extent to which Federal substance use disorder prevention and treatment strategies are aligned with State and local substance use disorder prevention and treatment strategies; (4) make recommendations to the Secretary regarding any appropriate changes with respect to the activities and strategies described in items (1) through (3) above; (5) make recommendations to the Secretary regarding public participation in decisions relating to substance use disorders and the process by which public feedback can be better integrated into such decisions; and (6) make recommendations to ensure that substance use disorder research, services, supports, and prevention activities of the Department of Health and Human Services and other Federal agencies are not unnecessarily duplicative.

Not later than one year after the date of the enactment of this Act, and annually thereafter for the life of the

Committee, the Committee shall publish on the internet website of the Department of Health and Human Services, which may include the public information dashboard established under section 1711 of the Public Health Service Act, as added by section 7021, a report summarizing the activities carried out by the Committee pursuant to subsection (e), including any findings resulting from such activities.
