BILLING CODE 4162-20-P

DEPARTMENT OF HOMELAND SECURITY

Determination Pursuant to Section 102 of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, as Amended

AGENCY: Office of the Secretary, (DHS).

ACTION: Notice of determination.

SUMMARY: The Secretary of Homeland Security has determined, pursuant to law, that it is necessary to waive certain laws, regulations, and other legal requirements in order to ensure the expeditious construction of barriers and roads in the vicinity of the international land border in Starr County, Texas.

DATES: This determination takes effect on October 5, 2023.

SUPPLEMENTARY INFORMATION: Important missions of the Department of Homeland Security (“DHS”) include border security. Congress has provided to the Secretary of Homeland Security a number of authorities necessary to carry out DHS’s border security mission. One of those authorities is section 102 of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, as amended (“IIRIRA”). Public Law 104-208, Div. C, 110 Stat. 3009-546, 3009-554 (Sept. 30, 1996) (8 U.S.C 1103 note), as amended by the REAL ID Act

of 2005, Public Law 109-13, Div. B, 119 Stat. 231, 302, 306 (May 11, 2005) (8 U.S.C. 1103 note), as amended by the Secure Fence Act of 2006, Public Law 109-367, sec. 3, 120 Stat. 2638 (Oct. 26, 2006) (8 U.S.C. 1103 note), as amended by the Department of Homeland Security Appropriations Act, 2008, Public Law 110-161, Div. E, Title V, sec. 564, 121 Stat. 2090 (Dec. 26, 2007). In section 102(a) of IIRIRA, Congress provided that the Secretary of Homeland Security shall take such actions as may be necessary to install additional physical barriers and roads (including the removal of obstacles to detection of illegal entrants) in the vicinity of the United States border to deter illegal crossings in areas of “high illegal entry” into the United States. In section 102(b) of IIRIRA, Congress called on the Secretary to construct reinforced fencing on the southwest border and provide for the installation of additional fencing, barriers, roads, lighting, cameras, and sensors on the southwest border. Finally, in section 102(c) of IIRIRA, Congress granted to the Secretary of Homeland Security the authority to waive all legal requirements that I, in my sole discretion, determine necessary to ensure the expeditious construction of barriers and roads authorized by section 102 of IIRIRA.

Determination and Waiver

Section 1

The United States Border Patrol’s (Border Patrol) Rio Grande Valley Sector is an area of “high illegal entry.” As of early August 2023, Border Patrol had encountered over 245,000 such entrants attempting to enter the United States between ports of entry in the Rio Grande Valley Sector in Fiscal Year 2023.

Therefore, I must use my authority under section 102 of IIRIRA to install additional physical barriers and roads in the Rio Grande Valley Sector. Therefore, DHS will take immediate action to construct barriers and roads.

Construction will be funded by a fiscal year 2019 appropriation through which Congress appropriated funds for the construction border barrier in the Rio Grande Valley, and DHS is required to use those funds for their appropriated purpose. This project is consistent with DHS’s plan to fulfill the requirements of President Biden’s Proclamation (Proclamation No. 10142, 86 FR 7225 (Jan. 20, 2021)), which ended the diversion of funds for border wall from military projects or other sources while calling for the expenditure of any funds Congress appropriated for barrier construction consistent with their appropriated purpose. The areas in the

vicinity of the border within which such construction will occur are more specifically described in Section 2 below. Such areas are not located within any of the areas identified in section 231 of title II of division A of the Fiscal Year 2019 DHS Appropriations Act. See Public Law 116-6, Div. A, Title II, sec. 231.

Section 2

As set forth in section 102(a) of IIRIRA, I determine that the following areas in the vicinity of the United States border, located in the State of Texas within the Border Patrol’s Rio Grande Valley Sector, are areas of “high illegal entry” (the “project areas”):

- Starting approximately one mile south of the Falcon Dam and extending southeast for approximately two miles.
- Starting at the southeast boundary of the Arroyo Morteros Tract of the Lower Rio Grande Valley National Wildlife Refuge and extending southeast for approximately one mile.
- Starting at the northernmost boundary of the Las Ruinas Tract of the Lower Rio Grande Valley National Wildlife Refuge and extending north for approximately one mile.
- Starting at the eastern boundary of the Arroyo Ramirez Tract of the Lower Rio Grande Valley National Wildlife Refuge and extending east for approximately one-half mile.
- Starting one-half mile south of the intersection of Perez Road and U.S. Highway 83 and generally following the Rio Grande River to approximately one-quarter mile south and east of the intersection of Leos Road and U.S. Highway 83.
- Starting approximately three-quarters of a mile southeast of the intersection of North Redwoods Street and U.S. Highway 83 and extending southeast to the northwest boundary of the Los Velas West Tract of the Lower Rio Grande Valley National Wildlife Refuge.
- Starting approximately one-tenth (0.1) of a mile south of the intersection of Trophy Street and Moonbeam Street and extending east to approximately one mile south of the intersection of Los Olmitos Road and Farm to Market Road 1430.
- Starting approximately one mile south of the intersection of Los Olmitos Road and Farm to Market Road 1430 and extending southeast to the northwest boundary of the La Casita East Tract of the Lower Rio Grande Valley National Wildlife Refuge.
- Starting approximately one mile south of the intersection of Mission Street and Old Military Highway and
