Abstract: Section 5 of the Indian Reorganization Act of June 18, 1934 (25 U.S.C. 5108) and the Indian Land Consolidation Act of January 12, 1983 (25 U.S.C. 2202) authorize the Secretary of the Interior (Secretary), in his/her discretion, to acquire lands through purchase, relinquishment, gift, exchange, or assignment within or without existing reservations for the purpose of providing land for Indian Tribes. Other specific laws also authorize the Secretary to acquire lands for individual Indians and Tribes. Regulations implementing the acquisition authority are at 25 CFR 151. In order for the Secretary to acquire land on behalf of individual Indians and Tribes, the BIA must collect certain information to identify the party(ies) involved and to describe the land in question. The Secretary also solicits additional information deemed necessary to make a determination to accept or reject an application to take land into trust for the individual Indian or Tribe, as set out in 25 CFR 151. This information collection allows the BIA to review applications for compliance with regulatory and statutory requirements. No specific form is used.

Notice of Temporary Closure and Temporary Restrictions of Selected Public Lands in La Paz County, AZ—Legacy Racing

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of temporary closure and restrictions.

SUMMARY: As authorized under the provisions of the Federal Land Policy and Management Act of 1976, as amended, notice is hereby given that temporary closures and temporary restrictions of activities will be in effect on public lands administered by the Lake Havasu Field Office, Bureau of Land Management (BLM), to minimize the risk of potential collisions with spectators and racers during the Legacy Racing off-highway vehicle (OHV) race event authorized under a Special Recreation Permit.

DATES: The temporary restrictions for the Legacy Racing Event take effect at 11:59 p.m., February 19, and last through midnight February 25, 2024. The temporary closure takes effect at 11:59 p.m., February 20, and lasts through midnight February 25, 2024. All times listed are in local time.

FOR FURTHER INFORMATION CONTACT: Sabrina Bice, Outdoor Recreation Planner, BLM Lake Havasu Field Office, 1785 Kiowa Avenue, Lake Havasu City, Arizona 86403, telephone (928) 302–4255, email sbice@blm.gov. Also see the Lake Havasu Field Office website: <https://www.blm.gov/office/lake-havasu-field-office>. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: On January 6, 2015, the decision record authorizing off-road high-speed events on the Parker 400 racecourse was signed. The environmental assessment analyzing these routes (EA #DOI–BLM–AZ–C030–2014–0040) concluded that allowing permitted motorized racers exclusive use of the *Lake Havasu Field Office Record of Decision/Approved Resource Management Plan* (2007) designated Parker 400 course would mitigate safety concerns.

These temporary closures and restrictions affect public lands in and around Parker and Bouse in La Paz County, Arizona. The temporary closure applies to all public use, including pedestrian and vehicles, unless excepted. The temporary closure area follows the Parker 400 racecourse as designated in the 2007 Lake Havasu Resource Management Plan. The temporary restriction area begins on public lands east of the eastern boundary of the Colorado River Indian Tribe (CRIT) Reservation, along Shea Road, then east into Osborne Wash onto the Parker-Swansea Road to the Central Arizona Project (CAP) Canal, then north on the west side of the CAP Canal, crossing the canal on the county-maintained road, running northeast into Mineral Wash Canyon, then southeast on the county-maintained road, through the four-corners intersection to the Midway (Pit) intersection, then east on Transmission Pass Road, through State Trust Land located in Butler Valley, turning north into Cunningham Wash to North Tank; continuing south to Transmission Pass Road and east (reentering public land) within two miles of Alamo Dam Road. The temporary restriction area boundary turns south and west onto the wooden power line road, onto the State Trust Land in Butler Valley, turning southwest into Cunningham Wash to the Graham Well, intersecting Butler Valley Road, then north and west on the county-maintained road to the “Bouse Y” intersection, two miles north of Bouse, Arizona. The temporary restriction area boundary proceeds north, paralleling the Bouse-Swansea Road to the Midway (Pit) intersection, then west along the north boundary (power line) road of the East Cactus Plain Wilderness Area to Parker-Swansea Road. The temporary restriction area boundary turns west into Osborne Wash crossing the CAP Canal, along the north boundary of the Cactus Plain Wilderness Study Area; it continues west staying in Osborne Wash and crossing Shea Road along the southern boundary of Gibraltar

Wilderness, rejoining Osborne Wash at the CRIT Reservation boundary.

The temporary closures and restrictions are necessary because of the high-speed nature of the race event and the added safety concerns due to the limited visibility when there is no daylight. Roads leading into the public lands under the temporary closure and restrictions will be posted with copies of the temporary closure, temporary restrictions, and associated maps to notify the public. The temporary closure and restriction orders will be posted in the Lake Havasu Field Office and online at <https://www.blm.gov/office/lake-havasu-field-office>. Maps of the affected area and other documents associated with this temporary closure are available at the Lake Havasu Field Office, 1785 Kiowa Avenue, Lake Havasu City, Arizona.

The closures and restrictions are issued under the authority of 43 CFR 8364.1, which allows the BLM to establish closures for the protection of persons, property, and public lands and resources. Violation of any of the terms, conditions, or restrictions contained within this closure order may subject the violator to citation or arrest with a fine or imprisonment, or both, as specified by law.

Temporary Closure

a. The designated racecourse is closed to public entry during the temporary closure, with the following exceptions:

i. The person is an employee or authorized volunteer with the BLM, a law enforcement officer, emergency medical service provider, fire protection provider, or another public agency employee working at and assigned to the event;

ii. The person is working at or attending the event directly on behalf of the permit holder.

b. Motor vehicles may be operated within the temporary closure area under the circumstances listed below:
