BILLING CODE 4184-83-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

Proposed Collection; 60-Day Comment Request; Bench to Bedside: Integrating Sex and Gender To Improve Human Health & Sex as a Biological Variable: A Primer (Office of the Director)

AGENCY: National Institutes of Health, HHS.

ACTION: Notice.

SUMMARY: In compliance with the requirement of the Paperwork Reduction Act of 1995 to provide the opportunity for public comment on proposed data collection projects, the National Institutes of Health Office of Research on Women's Health (ORWH) will publish periodic summaries of proposed projects to be submitted to the Office of Management and Budget (OMB) for review and approval.

DATES: Comments regarding this information collection are best assured of having their full effect if received within 60 days of the date of this publication.

FOR FURTHER INFORMATION CONTACT: To obtain a copy of the data collection plans and instruments, submit comments in writing, or request more information on the proposed project, contact: Dr. Elizabeth Barr, 6707

Democracy Blvd., Suite 438, Bethesda, Maryland, 20817 or call non-toll-free number (301) 402-7895 or email your request to ORWHcourses@od.nih.gov. Formal requests for additional plans and instruments must be requested in writing.

SUPPLEMENTARY INFORMATION: Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 requires: written comments and/or suggestions from the public and affected agencies are invited to address one or more of the following points: (1) Whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Proposed Collection Title: Bench to Bedside: Integrating Sex and Gender to Improve Human Health & Sex as a Biological Variable: A Primer [Extension], 0925-0768, expiration date

11/30/2023, Office of Research on Women’s Health (ORWH), Office of the Director (OD), National Institutes of Health (NIH).

Need and Use of Information

Collection: Bench to Bedside: Integrating Sex and Gender to Improve Human Health” is an online course developed by ORWH, the Food and Drug Administration, Office of Women’s Health, and other non-Federal subject matter experts. “Sex as a Biological Variable: A Primer” is an online course developed by ORWH, the National Institute of General Medical Sciences, and other non-Federal subject matter

experts. Together, these two courses will provide learners a rationale for the study of biological differences between the sexes, the impact of sex and gender differences on illness, guidance on incorporating NIH policy on sex as a biological variable into studies, and an exploration of sex- and gender-related differences in key disease areas. The Bench to Bedside course offers free continuing medical education credits.

In conjunction with these two courses, ORWH will collect information through registration information and surveys (knowledge checks, attitude assessments, and course evaluations).

The information collected will be used in the following ways: 1. To assess uptake and learning of concepts in each lesson; 2. To identify demographic trends across learners in order to inform targeted outreach; 3. To assess the effectiveness of course materials; and 4. To identify areas of focus for future course improvement, modifications, and expansion.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden hours are 970.

A. Overview of Information Collection

Title of Information Collection: CDBG–PRICE Competition Grant Program (Manufactured Housing Community Improvement Grant Program) Application Collection.

OMB Approval Number: 2506–PENDING.

Type of Request: New Collection.
Form Number: N/A.

Description of the need for the information and proposed use: HUD is issuing this NOFO under the authority of the Consolidated Appropriations Act, 2023 (Pub. L. 117–328, enacted December 29, 2022) to collect applications for the preservation and revitalization of manufactured housing and eligible manufactured housing

communities (including pre-1976 mobile homes).
Respondents: Local governments, state governments, tribal governments, community development financial institutions, cooperatives, manufactured housing communities, metropolitan planning organizations, multi-jurisdictional entities, non-entitlement units of general local government, and non-profits.

Estimated Number of Respondents: 100+.
Estimated Number of Responses: 100.
Frequency of Response: 1.
Average Hours per Response: 21.
Total Estimated Burden: 2,100.

The estimated burden for this NOFO application collection includes HUD’s Standardized Grant Application forms which have been reviewed and approved by OMB under control number: 2501–0017. HUD is collecting certifications from all applicants, and there is a specific certification form depending on each applicant type: local governments, state governments, tribal governments, community development financial institutions, cooperatives, manufactured housing communities, metropolitan planning organizations, multi-jurisdictional entities, non-entitlement units of general local government, and non-profits. Each applicant is only required to complete one certification form. The certification form collects information related to a variety of laws, including CDBG requirements and cross-cutting requirements. The applicant will be expected to review and sign the form.

If an applicant wishes to engage in a partnership, all partners must submit a letter of intent to participate as part of the Grantee’s application for PRICE funds. A letter of intent to participate and a binding cooperation, subrecipient, or developer agreement, or a contract, as applicable and contingent upon award, must be submitted with the Grantee’s application for PRICE funds. The burden hours include submission of documentation of partnership, if required. Optional letter templates are included in the application package, which applicants may choose to use to satisfy these requirements.
