

receipt of the document. The E-Filing system also distributes an email that provides access to the document to the NRC's Office of the General Counsel and any others who have advised the Office of the Secretary that they wish to participate in the proceeding, so that the filer need not serve the document on those participants separately. Therefore, applicants and other participants (or their counsel or representative) must apply for and receive a digital ID certificate before adjudicatory documents are filed to obtain access to the documents via the E-Filing system.

A person filing electronically using the NRC's adjudicatory E-Filing system may seek assistance by contacting the NRC's Electronic Filing Help Desk through the "Contact Us" link located on the NRC's public website at <https://www.nrc.gov/site-help/e-submittals.html>, by email to MSHD.Resource@nrc.gov, or by a toll-free call at 1-866-672-7640. The NRC Electronic Filing Help Desk is available between 9 a.m. and 6 p.m., ET, Monday through Friday, except Federal holidays.

Participants who believe that they have good cause for not submitting documents electronically must file an exemption request, in accordance with 10 CFR 2.302(g), with their initial paper filing stating why there is good cause for not filing electronically and requesting authorization to continue to submit documents in paper format. Such filings must be submitted in accordance with 10 CFR 2.302(b)-(d). Participants filing adjudicatory documents in this manner are responsible for serving their documents on all other participants. Participants granted an exemption under 10 CFR 2.302(g)(2) must still meet the electronic formatting requirement in 10 CFR 2.302(g)(1), unless the participant also seeks and is granted an exemption from 10 CFR 2.302(g)(1).

Documents submitted in adjudicatory proceedings will appear in the NRC's electronic hearing docket, which is publicly available at <https://adams.nrc.gov/ehd>, unless excluded pursuant to an order of the presiding officer. If you do not have an NRC-issued digital ID certificate as previously described, click "cancel" when the link requests certificates and you will be automatically directed to the NRC's electronic hearing dockets where you will be able to access any publicly available documents in a particular hearing docket. Participants are requested not to include personal privacy information such as social security numbers, home addresses, or personal phone numbers in their filings unless an NRC regulation or other law requires submission of such

information. With respect to copyrighted works, except for limited excerpts that serve the purpose of the adjudicatory filings and would constitute a Fair Use application, participants should not include copyrighted materials in their submission.

Detailed information about the license renewal process can be found under the Reactor License Renewal section on the NRC's public website at <https://www.nrc.gov/reactors/operating/licensing/renewal.html>. Copies of the application to renew the operating license for V.C. Summer are available for public inspection at the NRC's PDR, and on the NRC's public website at <https://www.nrc.gov/reactors/operating/licensing/renewal/applications.html>. The application may be accessed in ADAMS through the NRC Library on the internet at <https://www.nrc.gov/reading-rm/adams.html> under ADAMS Accession No. ML23233A172. As previously stated, persons who do not have access to ADAMS or who encounter problems in accessing the documents located in ADAMS may contact the NRC's PDR reference staff by telephone at 1-800-397-4209 or 301-415-4737, or by email to PDR.Resource@nrc.gov.

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–155, OMB Control No. 3235–0123]

Submission for OMB Review; Comment Request; Extension: Rule 17a–5

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for extension of the previously approved collection of information discussed below.

Rule 17a–5 (17 CFR 240.17a–5) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) is the basic financial reporting rule for brokers and dealers.¹ The rule requires the filing of Form X–17A–5, the Financial and Operational Combined Uniform Single Report (“FOCUS Report”), which was the result of years of study and comments by representatives of the securities industry through advisory committees and through the normal rule proposal methods. The FOCUS Report was designed to eliminate the overlapping regulatory reports required by various self-regulatory organizations and the Commission and to reduce reporting burdens as much as possible. The rule also requires the filing of annual reports, which include a financial report and a

compliance or exemption report as well as reports of an independent public accountant covering the financial report and the compliance or exemption report. In addition, the rule requires a broker-dealer that computes certain capital charges in accordance with Appendix E to Exchange Act Rule 15c3–1 (17 CFR 240.15c3–1e) to file additional monthly or quarterly reports and a supplemental report on management controls concurrently with its annual reports.

The Commission estimates that the total hour burden under Rule 17a–5 is approximately 397,467 hours per year, and the total cost burden is approximately \$31,295,048 per year. Since the last approval of this information collection, the estimated total burden hours per year has increased due to more respondents filing monthly reports rather than quarterly reports under Rule 17a–5; the estimated total cost burden per year has decreased due to more filings being submitted electronically.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

The public may view background documentation for this information collection at the following website: www.reginfo.gov. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. Written comments and recommendations for the proposed information collection should be sent by November 15, 2023 to (i) www.reginfo.gov/public/do/PRAMain and (ii) David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549, or by sending an email to: PRA_Mailbox@sec.gov.

Dated: October 10, 2023.

Assistant Secretary.
