Overview of This Information Collection

1. *Type of Information Collection:* Revision of a previously approved collection.
2. *Title of the Form/Collection:* OJP Solicitation Template.
3. *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* No form number available. Office of Justice Programs, Department of Justice.
4. *Affected public who will be asked or required to respond, as well as a brief*

abstract: The primary respondents are state agencies, tribal governments, local governments, colleges and universities, non-profit organizations, for-profit organizations, and faith-based organizations. The purpose of the solicitation template is to provide a framework to develop program-specific announcements soliciting applications for funding. A program solicitation outlines the specifics of the funding program; describes requirements for eligibility; instructs an applicant on the necessary components of an application under a specific program (*e.g.*, project activities, project abstract, project timeline, proposed budget, etc.); outlines program evaluation and performance measures; explains selection criteria and the review process; and provides registration dates, deadlines, and instructions on how to apply within the designated application systems. The approved solicitation template collection also includes the OJP Budget Detail Worksheet; the Coordinated Tribal Assistance Solicitation (CTAS) Tribal Community and Justice Profile, Budget Detail Worksheet and Demographic Form; and the Financial Management and System of Internal Controls Questionnaire (FCQ). The solicitation template collection was previously streamlined to move static instructions and guidance that do not frequently change from year to year to a Grant Application Resource Guide web page. The result is a more concise, user-friendly solicitation document that draws closer attention to the program-specific details and requirements in order to lessen confusion for the applicant. Additionally, it enables the agency to revise static guidance on the web page as necessary, reducing the need to re-issue program solicitations already released to the public.

5. *Obligation to Respond:* Required to obtain or retain a benefit.

6. *Total Estimated Number of Respondents:* 10,000.

7. *Estimated Time per Respondent:* 32 hours.

8. *Frequency:* Annually.

9. *Total Estimated Annual Time Burden:* 320,000 hours

10. *Total Estimated Annual Other Costs Burden:* Annual cost to the respondents is based on the number of hours involved in preparing and submitting a complete application package. Mandatory requirements for an application under the OJP and CTAS Standard Solicitation Template include a program narrative; budget details and narrative, via the OJP standard BDW; Applicant Disclosure of Duplication in Cost Items; Applicant Disclosure and

Justification—DOJ High Risk Grantees; and the FCQ. With the exception of the Tribal Narrative Profile and added Demographic form, the mandatory requirements for an application under the CTAS Solicitation Template are the same as those for OJP. Optional requirements can be made mandatory depending on the type of program to include, but not limited to: documentation related to Administration priority areas of consideration (*e.g.*, Advancing Racial Equity and Support for Underserved Communities Through the Federal Government), project abstract, indirect cost rate agreement, tribal authorizing resolution, timelines, logic models, memoranda of understanding, letters of support, resumes, and research and evaluation independence and integrity.

If additional information is required, contact: Darwin Arceo, Department Clearance Officer, Policy and Planning Staff, Justice Management Division, United States Department of Justice, Two Constitution Square, 145 N Street NE, 4W–218 Washington, DC 20530.
