Tier 2 communities that have made significant strides in connecting residents to in-unit internet service, devices and training (attainment of silver badges in two of these areas will be required as a minimum) and that wish to deepen their digital inclusion work by evaluating their existing connectivity solution, refining it, and/or developing a customized connectivity solution that best meets the needs of their targeted communities may contact their HUD CHUSA staff to join Tier 3.

Tier 3: Advanced Engagement

HUD and ESH staff will work closely with these communities to help them assess their current connectivity solution, refine and/or create customized connectivity solutions, address challenges, and identify outside resources to support the work. These communities will be required to continue to report and to develop an Annual Action Plan for the duration of their participation (between 1–3 years).

D. Selection Criteria

Tier 1: Basic Engagement

HUD is looking for comprehensive and detailed responses to the criteria outlined under Section C, “Application and Criteria for Participation” for this tier. Letters of Intent should clearly demonstrate a strong interest in narrowing the digital divide in the target communities.

Tier 2: Intermediate Engagement

HUD is looking for comprehensive and detailed responses to the criteria outlined under “Application and Criteria for Participation” for this tier. Letters of Intent should clearly demonstrate a strong commitment to narrowing the digital divide in your target communities and demonstrate strong partnerships with state, local or Tribal government and a quality-of-life partner. Letters of Intent should clearly describe how the applicant’s organization will support the work and how this work can complement the organization’s other self-sufficiency efforts or programs.

Tier 3: Advanced Engagement

No applications for this Tier are being accepted at this time. Tier 2 communities that demonstrate significant progress in each area of the digital inclusion stool (silver-level badges will be required for at least two of the three legs of the stool) as well as ongoing

commitment to this work through the active engagement of staff and regular reporting, will be able to move to this tier and benefit from the tailored assistance aligned with this tier.
