

to the respiratory tract of products, comprised of COV44–62 (fusion peptide), COV44–79 (fusion peptide), COV89–22 (stem helix), and/or COV72–37 (stem helix), including products that may be obtained from the genetic sequence of the same and derivatives thereof. The prospective exclusive patent commercialization license may include two products (preventative and therapeutic) in the field of use.

An abstract for this invention was published in the **Federal Register** on June 10, 2022. The family of coronaviruses cause upper respiratory tract disease in humans and have caused three major disease outbreaks in recent history: the 2003 SARS outbreak, the 2012 MERS outbreak, and the current SARS-CoV-2 pandemic. There is an urgent need for strategies that broadly target coronaviruses, both to deal with new SARS-CoV-2 variants and future coronavirus outbreaks.

Scientists at NIAID have developed several novel human monoclonal antibodies that bind to conserved parts of the SARS-CoV-2 spike protein. These antibodies can neutralize SARS-CoV-2 variants of concern including Omicron BA.1 and BA.2, as well as neutralize at least one other betacoronavirus. Further, these antibodies limit disease in animal models. Broadly reactive antibodies against coronaviruses are useful tools to identify conserved sites on the coronavirus spike protein, which could be investigated for the development of broad coronavirus vaccines that aim to prevent future pandemics. Potent neutralizers that target these sites could also be useful for prevention of disease caused by diverse coronaviruses, including those that may emerge in the future.

This notice is made in accordance with 35 U.S.C. 209 and 37 CFR part 404. The prospective exclusive patent commercialization license will be royalty bearing, and may be granted unless within fifteen (15) days from the date of this published notice, the National Institute of Allergy and Infectious Diseases receives written evidence and argument that establishes that the grant of the license would not be consistent with the requirements of 35 U.S.C. 209 and 37 CFR part 404.

Complete applications for a license in the prospective field of use that are timely filed in response to this notice will be treated as objections to the grant of the contemplated exclusive patent commercialization license. Comments and objections submitted in response to this notice will not be made available for public inspection and, to the extent permitted by law, will not be released

under the *Freedom of Information Act*, 5 U.S.C. 522.

**Surekha Vathyam,**

*Deputy Director, Technology Transfer and Intellectual Property Office, National Institute of Allergy and Infectious Diseases.*

## DEPARTMENT OF HOMELAND SECURITY

### Coast Guard

[Docket No. USCG–2023–0823]

### National Maritime Security Advisory Committee; December 2023 Virtual Meeting

**AGENCY:** U.S. Coast Guard, Department of Homeland Security.

**ACTION:** Notice of Federal advisory committee virtual meeting.

**SUMMARY:** The National Maritime Security Advisory Committee (Committee) will conduct a virtual meeting to discuss the Committee's final recommendations concerning ways to enhance cyber security information sharing between the U. S. Coast Guard and Marine Transportation System (MTS) stakeholders. The virtual meeting will be open to the public.

**DATES:** *Meeting:* The Committee will meet virtually on Tuesday, December 5, 2023, from 1 p.m. until 3 p.m. Eastern Standard Time (EST). Please note this virtual meeting may close early if the Committee has completed its business.

*Comments and supporting documentation:* To ensure your comments are received by Committee members before the virtual meeting, submit your written comments no later than December 1, 2023.

**ADDRESSES:** To join the virtual meeting or to request special accommodations, contact the individual listed in the **FOR FURTHER INFORMATION CONTACT** section no later than 1 p.m. EST on December 4, 2023, to obtain the needed information. The number of virtual lines are limited and will be available on a first-come, first-served basis.

*Pre-registration information:* Pre-registration is required for attending the virtual meeting. You must request attendance by contacting the individual listed in the **FOR FURTHER INFORMATION CONTACT** section below. You will receive a response with attendance instructions.

The National Maritime Security Advisory Committee is committed to ensuring all participants have equal access regardless of disability status. If you require reasonable accommodations

due to a disability to fully participate, please email Mr. Ryan Owens at [ryan.f.owens.uscg.mil](mailto:ryan.f.owens.uscg.mil) or call (202) 302–6565 as soon as possible.

*Instructions:* You are free to submit comments at any time, including orally at the meeting as time permits. But, if you want Committee members to review your comment before the meeting, please submit your comments no later than December 1, 2023. We are particularly interested in comments regarding the topics in the “Agenda” section below. We encourage you to submit comments through the Federal Decision Making Portal at <https://www.regulations.gov>. To do so, go to <https://www.regulations.gov>, type USCG–2023–0823 in the search box and click “Search”. Next, look for this document in the Search Results column, and click on it. Then click on the Comment option. If your material cannot be submitted using <https://www.regulations.gov>, contact the individual in the **FOR FURTHER**

**INFORMATION CONTACT** section for alternate instructions. You must include the docket number USCG–2023–0823. Comments received will be posted without alteration at <https://www.regulations.gov> including any personal information provided. You may wish to review the Privacy and Security Notice found via a link on the homepage <https://www.regulations.gov>. For more about the privacy and submissions in response to this document, see DHS's eRulemaking System of Records notice (85 FR 14226, March 11, 2020). If you encounter technical difficulties with comment submission, contact the individual listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice.

*Docket Search:* Documents mentioned in this notice as being available in the docket, and all public comments, will be in our online docket at <https://www.regulations.gov>, and can be viewed by following that website's instructions. Additionally, if you go to the online docket and sign-up for email alerts, you will be notified when comments are posted.

**FOR FURTHER INFORMATION CONTACT:** Mr. Ryan Owens, Alternate Designated Federal Officer of the National Maritime Security Advisory Committee, 2703 Martin Luther King Jr. Avenue SE, Washington, DC 20593, Stop 7581, Washington, DC 20593–7581; telephone 202–302–6565 or via email at [ryan.f.owens@uscg.mil](mailto:ryan.f.owens@uscg.mil).

**SUPPLEMENTARY INFORMATION:** Notice of this meeting is in compliance with the *Federal Advisory Committee Act*, (Pub. L. 117–286, 5 U.S.C., ch. 10). The

Committee is authorized, by section 601 of the *Frank LoBiondo Coast Guard Authorization Act of 2018*, Public Law 115–282, 132 Stat. 4192, and is codified in 46 U.S.C. 70112. The Committee operates under the provisions of the *Federal Advisory Committee Act* and 46 U.S.C. 15109. The National Maritime Security Advisory Committee provides advice, consults with, and makes recommendations to the Secretary of Homeland Security, via the Commandant of the U.S. Coast Guard, on matters relating to national maritime security.

### Agenda

Tuesday, December 5, 2023

- (1) Call to Order.
- (2) Introduction.
- (3) Designated Federal Officer

#### Remarks.

(4) Roll call of Committee members and determination of quorum.

(5) Remarks from Committee Leadership.

(6) Presentation and discussion of final recommendations to Task T–2022–5: Working

Group on Cybersecurity Information Sharing.

(7) Public Comment Period.

(8) Adjournment of Meeting.

A copy of all meeting documentation will be available at <https://homeport.uscg.mil/NMSAC> no later than December 4, 2023. Alternatively, you may contact Mr. Ryan Owens as noted in the **FOR FURTHER INFORMATION** section above.

There will be a public comment period at the end of meeting. Speakers are requested to limit their comments to 3 minutes. Please note that the public comment period may end before the period allotted, following the last call for comments. Please contact the individual listed in the **FOR FURTHER INFORMATION CONTACT** section above to register as a speaker.

Dated: October 16, 2023.

#### Amy M. Beach,

Captain, U.S. Coast Guard, Director of Inspections and Compliance.

## DEPARTMENT OF HOMELAND SECURITY

### Federal Emergency Management Agency

[Docket ID FEMA–2023–0002; Internal Agency Docket No. FEMA–B–2379]

#### Proposed Flood Hazard Determinations

**AGENCY:** Federal Emergency Management Agency, Department of Homeland Security.

**ACTION:** Notice.

**SUMMARY:** Comments are requested on proposed flood hazard determinations, which may include additions or modifications of any Base Flood Elevation (BFE), base flood depth, Special Flood Hazard Area (SFHA) boundary or zone designation, or regulatory floodway on the Flood Insurance Rate Maps (FIRMs), and where applicable, in the supporting Flood Insurance Study (FIS) reports for the communities listed in the table below. The purpose of this notice is to seek general information and comment regarding the preliminary FIRM, and where applicable, the FIS report that the Federal Emergency Management Agency (FEMA) has provided to the affected communities. The FIRM and FIS report are the basis of the floodplain management measures that the community is required either to adopt or to show evidence of having in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

**DATES:** Comments are to be submitted on or before January 17, 2024.

**ADDRESSES:** The Preliminary FIRM, and where applicable, the FIS report for each community are available for inspection at both the online location <https://hazards.fema.gov/femaportal/prelimdownload> and the respective Community Map Repository address listed in the tables below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

You may submit comments, identified by Docket No. FEMA–B–2379, to Rick Sacbibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646–7659, or (email) [patrick.sacbibit@fema.dhs.gov](mailto:patrick.sacbibit@fema.dhs.gov).

**FOR FURTHER INFORMATION CONTACT:** Rick Sacbibit, Chief, Engineering Services Branch, Federal Insurance and

Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646–7659, or (email) [patrick.sacbibit@fema.dhs.gov](mailto:patrick.sacbibit@fema.dhs.gov); or visit the FEMA Mapping and Insurance eXchange (FMIX) online at [https://www.floodmaps.fema.gov/fhm/fmx\\_main.html](https://www.floodmaps.fema.gov/fhm/fmx_main.html).

**SUPPLEMENTARY INFORMATION:** FEMA proposes to make flood hazard determinations for each community listed below, in accordance with section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

These proposed flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other Federal, State, or regional entities. These flood hazard determinations are used to meet the floodplain management requirements of the NFIP.

The communities affected by the flood hazard determinations are provided in the tables below. Any request for reconsideration of the revised flood hazard information shown on the Preliminary FIRM and FIS report that satisfies the data requirements outlined in 44 CFR 67.6(b) is considered an appeal. Comments unrelated to the flood hazard determinations also will be considered before the FIRM and FIS report become effective.

Use of a Scientific Resolution Panel (SRP) is available to communities in support of the appeal resolution process. SRPs are independent panels of experts in hydrology, hydraulics, and other pertinent sciences established to review conflicting scientific and technical data and provide recommendations for resolution. Use of the SRP only may be exercised after FEMA and local communities have been engaged in a collaborative consultation process for at least 60 days without a mutually acceptable resolution of an appeal. Additional information regarding the SRP process can be found online at [https://www.floodsrp.org/pdfs/srp\\_overview.pdf](https://www.floodsrp.org/pdfs/srp_overview.pdf).

The watersheds and/or communities affected are listed in the tables below. The Preliminary FIRM, and where applicable, FIS report for each community are available for inspection at both the online location <https://hazards.fema.gov/femaportal/>
