SUPPLEMENTARY INFORMATION:

Title: Fruit Crops.
OMB Number: 0581-0189.
Expiration Date of Approval: December 31, 2023.

Type of Request: Extension and Revision of a currently approved information collection.

Abstract: Marketing order programs provide an opportunity for producers of fresh fruits, vegetables and specialty crops, in specified production areas, to work together to solve marketing problems that cannot be solved individually. This notice covers the following marketing order citations: 7 CFR parts 905 (Florida citrus), 906 (Texas citrus), 915 (Florida avocados), 920 (California kiwifruit), 923 (Washington cherries), 925 (California table grapes), 927 (Oregon/Washington pears), and 929 (Cranberries grown in 10 States).

Marketing Order 922 (Apricots) has been terminated since the last three-year renewal period of this information collection package.

Marketing order requirements help ensure adequate supplies of high-quality product and adequate returns to producers. Marketing orders are authorized under the Agricultural Marketing Agreement Act of 1937 (Act), as amended (7 U.S.C. 601-674). The Secretary of Agriculture is authorized to oversee the marketing order operations and issue regulations recommended by a committee of representatives from each commodity industry.

The information collection requirements in this request are essential to carry out the intent of the Act, to provide the respondents the type of service they request, and to administer the marketing orders. Under the Act, marketing orders may authorize: Production and marketing research, including paid advertising; volume regulation; reserves, including pools and producer allotments; container requirements; and quality control. Assessments are levied on handlers regulated under the marketing orders. Section 8e of the Act requires
