Submission for OMB Review; Comment Request; Extension: Rule 17g–2

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 17g–2 (17 CFR 240.17g–2) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (“Exchange Act”).

Rule 17g–2, “Records to be made and retained by nationally recognized statistical rating organizations,” implements the Commission’s recordkeeping rulemaking authority under section 17(a) of the Exchange Act.¹ The rule requires a Nationally Recognized Statistical Rating Organization (“NRSRO”) to make and retain certain records relating to its business and to retain certain other business records, if such records are made. The rule also prescribes the time periods and manner in which all these records must be retained. There are 10 credit rating agencies registered with the Commission as NRSROs under section 15E of the Exchange Act, which have already established the recordkeeping policies and procedures required by Rule 17g–2. Based on staff experience, NRSROs are estimated to spend a total industry-wide burden of 2,600 annual hours to make and retain the appropriate records.²

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information on respondents; and (d) ways to minimize the burden of the collection of information on respondents, including through the use

Description of Information Collections

OMB Control Number: 2140-0038.

Information Collection 1

Title: Joint Notice of Intent to Arbitrate.

STB Form Number: None.

Type of Review: Extension without change.

Respondents: Parties seeking to submit to arbitration certain matters before the Board.

Number of Respondents: One.

Estimated Time per Response: One hour.

Frequency: On occasion.

Total Burden Hours (annually including all respondents): One hour.

Total “Non-hour Burden” Cost: None identified. Filings are submitted electronically to the Board.

Needs and Uses: Under 49 CFR 1108.5, arbitration commences with a written complaint that contains a statement that the relevant parties are participants in the Board’s arbitration

program, or that the complainant is willing to arbitrate the dispute pursuant to the Board’s arbitration procedures. The respondent’s answer to the written complaint must then indicate the respondent’s participation in the Board’s arbitration program or its willingness to arbitrate the dispute at hand pursuant to the Board’s arbitration procedures.

As an alternative to filing a written complaint, parties may submit a joint notice to the Board, indicating the consent of both parties to submit an issue in dispute to the Board’s arbitration program. In the joint notice, parties state the issue(s) that they are willing to submit to arbitration. The notice must contain a statement that would indicate that all relevant parties are participants in the Board’s arbitration program pursuant to 1108.3(a), or that the relevant parties are willing to arbitrate voluntarily a matter pursuant to the Board’s arbitration procedures, and the relief requested. The notice must also indicate whether parties have agreed to a three-member arbitration panel or a single arbitrator and must indicate whether the parties have mutually agreed to a lower amount of potential liability in lieu of the monetary award cap that would otherwise be applicable. The joint notice encourages greater use of arbitration to resolve disputes at the Board.
