Title: Preparation and Execution of the Project Agreement and Modifications.

OMB Control Number: 2125–0529.

Background: Formal agreements between State Transportation Departments and the FHWA are required for Federal-aid highway projects. These agreements, referred to as “project agreements” are written contracts between the State and the Federal government that define the extent of work to be undertaken and commitments made concerning a highway project. Section 1305 of the Transportation Equity Act for the 21st Century (TEA–21, Pub. L. 105–178) amended 23 U.S.C. 106(a) and combined authorization of work and execution of the project agreement for a Federal-aid project into a single action. States continue to have the flexibility to use whatever format is suitable to provide the statutory information required, and burden estimates for this information collection are not changed.

Respondents: There are 56 respondents, including 50 State Transportation Departments, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, Guam, the Virgin Islands and American Samoa. Depending on the size of and activity in the above government agencies, the number of project agreements executed in any agency ranges between 10 and 1,500.

Frequency: On an on-going basis as project agreements are written.

Estimated Average Annual Burden per Response: There is a total of 23,809 agreements per year. Each agreement requires 1 hour to complete.

Estimated Total Annual Burden Hours: 23,809 hours.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including: (1) whether the proposed collection is necessary for the FHWA's performance; (2) the accuracy of the estimated burdens; (3) ways for the FHWA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized, including the use of electronic technology, without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request

for OMB's clearance of this information collection.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended; and 49 CFR 1.48.

Issued on: October 26, 2023.
