## DEPARTMENT OF AGRICULTURE

### Submission for OMB Review; Comment Request

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding: whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by December 1, 2023 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it

displays a currently valid OMB control number.

### National Resources Conservation Service

*Title:* Conservation Outreach, Education, and Technical Assistance.

*OMB Control Number:* 0578–NEW.

*Summary of Collection:* NRCS OPD is administrating the Equity in Conservation Outreach cooperative agreements. As the primary goal of NRCS, in collaboration with partners, is to expand conservation assistance to historically underserved producers and underserved communities and to provide opportunities for students to pursue careers in agriculture, natural resources, and related sciences. After the cooperative agreements are awarded, the cooperators will be required to provide performance reports to provide information as specified in the general terms and conditions in the executed cooperative agreement. Recipients will report semi-annually. In order to evaluate the impact and effectiveness of the agreement via standardized metrics, NRCS OPD is offering a performance reporting template as a supplement to the required performance report.

*Need and Use of the Information:* The approved cooperators will report the equity information using the report template to NRCS OPD on the underserved producers and communities who receive conservation assistance and students who are interested to pursue agriculture, natural resources and related sciences careers. Failure in not providing the report will result in not getting the effectiveness of the outreach, education and technical assistance.

*Description of Respondents:* Individuals or households.

*Number of Respondents:* 150.

*Frequency of Responses:* Reporting: Other (once)

*Total Burden Hours:* 1,200.

### Foreign Agricultural Service

*Title:* Grant and Agreement Applications and Reporting for the National Agricultural Research, Extension, and Teaching Policy Act.

*OMB Control Number:* 0551–New.

*Summary of Collection:* Section 503 of the Agricultural Trade Expansion Act of 1978 (7 U.S.C. 5693), as delegated via 7

CFR 2.601, empowers the Foreign Agricultural Service (FAS) to assist the Secretary of Agriculture by, inter alia, providing agricultural technical assistance and training and by carrying out other legislated programs, including international agricultural research, extension, and teaching as authorized by the National Agricultural Research, Extension, and Teaching Policy Act of 1977, 7 U.S.C. 3101 *et seq.*

Information collection is required by 2 CFR parts 200 and 400. For assistance agreements awarded on or after December 26, 2014, 2 CFR part 400 implements OMB regulations in 2 CFR part 200. These regulations include only those provisions mandated by statute or added by USDA to ensure sound and effective financial assistance management. These regulations set forth pre-award, post-award, and after-the-grant requirements. This information is needed by FAS project officers, grant specialists, program coordinators, managers, and finance officials to manage/oversee recipient programmatic and financial performance under FAS assistance agreements.

*Need and Use of the Information:* Pre-award information is used by FAS personnel to qualify and select assistance agreement applicants for funding. Post-award reporting is used by FAS personnel to make amendments to established assistance agreement awards, to make payments pursuant to such awards, and to verify that the recipient is using Federal funds appropriately to comply with applicable Federal and agency requirements. The information is necessary to ensure minimum fiscal control and accountability for award funds and to deter waste, fraud, and abuse.

*Description of Respondents:* State agricultural experiment stations, State cooperative extension services, all colleges and universities, other research or education institutions and organizations, Federal and private agencies and organizations, individuals, and any other contractor or recipient, either foreign or domestic.

*Number of Respondents:* 100.

*Frequency of Responses:* Reporting: Other: Varies.

*Total Burden Hours:* 29,046.

**SUPPLEMENTARY INFORMATION:** On June 29, 2023, the Animal and Plant Health Inspection Service published in the **Federal Register** a notice (FR Doc. 2023-13801, 88 FR 42042, APHIS-2023-0049) <sup>1</sup> regarding an information collection associated with the importation of live swine, pork and pork products, and swine semen from the European Union. Since publication, we have found that the estimates provided need to be corrected. This document corrects the estimates and also reopens the comment period for an additional 60 days to allow interested persons to prepare and submit comments.

*Correction*

In the **Federal Register** of June 29, 2023, FR Doc. 2023-13803 (88 FR 42042-42043) under the **SUPPLEMENTARY INFORMATION** section, the following corrections are made:

1. On page 42042, in the third column, correct *Estimate of burden: to read:*

*Estimate of burden:* The public burden for this collection of information is estimated to average 0.99 hours per response.

2. On page 42043, in the first column, make the following corrections:

*Estimated annual number of respondents:* 216.

*Estimated annual number of responses per respondent:* 33.

*Estimated annual number of responses:* 7,179.

*Estimated total annual burden on respondents:* 7,168 hours. (Due to averaging, the total annual burden hours may not equal the product of the annual number of responses multiplied by the reporting burden per response.)

Done in Washington, DC, this 23rd day of October 2023.

**Donna Lalli,**

Acting Administrator, Animal and Plant Health Inspection Service.
