

entry(ies) to all insured credit unions in the affairs of which they wish to participate.

(h) *Sponsored consent applications.* When deemed appropriate by the NCUA, credit union-sponsored consent applications are to allow the individual to work for the same employer (without restrictions on the location) and across positions, except that the prior consent of the NCUA (which may require a new consent application) will be required for any proposed significant changes in the individual's security-related duties or responsibilities, such as promotion to an officer or other positions that the employer determines will require higher security screening credentials.

(i) *Subsequent consent applications.* In situations in which an approval has been granted for a person to participate in the affairs of a particular insured credit union and the person subsequently seeks to participate at another insured credit union, another consent application must be submitted and approved by the NCUA prior to the person participating in the affairs of the other insured credit union.

**§ 752.11 What will the NCUA do if the consent application is denied?**

(a) The NCUA will inform the applicant in writing that the consent application has been denied and summarize or cite the relevant considerations specified in § 752.10 of this subpart.

(b) The denial will also notify the applicant of the right to request reconsideration from the Regional Office or the Office of National Examinations and Supervision, or to file an appeal with the Board, and shall include a description of applicable filing deadlines and time frames for agency responses. The Regional Office or the Office of National Examinations and Supervision and the Board will apply the review process contained in 12 CFR part 746, subpart B, to any request for reconsideration or appeal. The request for review must include a statement of the underlying facts that form the basis of the request for reconsideration or appeal, a statement of the basis for the denial to which the applicant objects and the alleged error in such denial, and any other support, materials, or evidence relied upon by the applicant that were not previously provided.

**CONSUMER PRODUCT SAFETY COMMISSION**

**16 CFR Part 1408**

[Docket No. CPSC–2019–0020]

**Safety Standard for Residential Gas Furnaces and Boilers; Correction**

**AGENCY:** Consumer Product Safety Commission.

**ACTION:** Proposed rule; correction.

**SUMMARY:** On October 25, 2023, the Commission published a notice of proposed rulemaking (NPR) to address dangerous levels of carbon monoxide production and leakage from residential gas furnaces and boilers. That document contained a typographical error in the preamble. This document corrects that error.

**DATES:** November 7, 2023.

**FOR FURTHER INFORMATION CONTACT:** Ronald A. Jordan, Directorate for Engineering Sciences, Mechanical Engineering, Consumer Product Safety Commission, National Product Testing and Evaluation Center, 5 Research Place, Rockville, MD 20850; telephone: 301–987–2219; [rjordan@cpsc.gov](mailto:rjordan@cpsc.gov).

**SUPPLEMENTARY INFORMATION:** The Commission is correcting a typographical error in the preamble of the NPR, *Safety Standard for Residential Gas Furnaces and Boilers*, 16 CFR part 1408, which appeared in the **Federal Register** on October 25, 2023. 88 FR 73272. This document corrects a typographical error in section XV of the preamble, entitled Paperwork Reduction Act. On page 73289, first column, second paragraph, the first sentence erroneously states “4,374 hours (833 hours + 833 + 208 hours + 2,500 hours)”. This notice corrects that error by revising that language to correctly read “3,541 hours (833 hours + 208 hours + 2,500 hours)”. The estimated time burden thus is lower than stated in the NPR. The estimated financial burden in the same sentence is unchanged.
