#### A. Overview of Information Collection

*OMB Expiration Date:* None.

*Type of Request:* New collection.

*Form Numbers:* HUD–91045; HUD–424–B; HUD–50153; HUD–2880; SF–LLL; SF–424

*Description of the need for the information and proposed use:* The HUD Office of Housing Counseling will use the information collected to objectively evaluate grant applicants on how well they will be able to meet the selection factors set forth in the new Homeownership Initiative Notice of Funding Opportunity, hereinafter HI–NOFO, based on their history of performance and on their responses to questions. The collection will also serve to monitor selected applicants or grantees to assess compliance and effectiveness. This collection of information is required for the award of the HI NOFO grant program in furtherance of HUD’s mission to increase homeownership rates among historically underserved communities. The grant program looks to deliver measurable outcomes by awarding funds to HUD-approved Intermediaries, Multi-State Organizations, and State and Local government Housing Finance Agencies who have demonstrated experience providing culturally sensitive, linguistically appropriate pre- and post-purchase housing counseling. Selected agencies will provide independent, expert, and customized guidance to help underserved communities. The NOFO specific information is collected via the new form HUD–90145 (Homeownership Initiative Chart). All other forms that are part of this collection are mandatory OMB or HUD standard grant application forms.

This review is necessary to support HUD participating agencies who are seeking to increase the homeownership rate among historically underserved communities and stop or reverse the increasing homeownership gap resulting from the effects of the COVID–19 pandemic and resulting shortage of

affordable homes within those communities. These agencies will provide targeted counseling, outreach to members of their communities as well as seek partnerships with other agencies to help individuals and families achieve sustainable homeownership, no matter their race, ethnicity, disability status, or other protected class.
