(collectively, RZBC) did not make sales of citric acid and certain citrate salts (citric acid) from the People's Republic of China (China) at less than normal value during the period of review (POR) May 1, 2021, through April 30, 2022.

**DATES:** Applicable November 9, 2023.

**FOR FURTHER INFORMATION CONTACT:** Maisha Cryor, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-5831.

#### SUPPLEMENTARY INFORMATION:

##### Background

Commerce published the *Preliminary Results* on July 10, 2023.<sup>1</sup> For a discussion of events subsequent to the *Preliminary Results*, see the Issues and Decision Memorandum.<sup>2</sup> Commerce conducted this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

<sup>1</sup> See *Citric Acid and Certain Citrate Salts from the People's Republic of China: Preliminary Results and Partial Rescission of the Antidumping Duty Administrative Review; 2021-2022*, 88 FR 43551 (July 10, 2023) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum.

<sup>2</sup> See Memorandum, "Issues and Decision Memorandum for the Final Results of the Administrative Review of the Antidumping Duty Order on Citric Acid and Certain Citrate Salts from the People's Republic of China; 2021-2022," dated concurrently with, and hereby adopted by, this notice (Issues and Decision Memorandum).

##### Scope of the Order

The products covered by this order are citric acid from China. A full description of the scope of the order is provided in the Issues and Decision Memorandum.

##### Analysis of Comments Received

All issues raised an interested party's case brief are addressed in the Issues and Decision Memorandum. A list of these issues is attached as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

##### Changes Since the Preliminary Results

Based on our review of the record and comments received from an interested party regarding our *Preliminary Results*, we made two revisions to the margin calculation for RZBC as explained in Comments 1 and 2 of the Issues and Decision Memorandum.

##### Final Results of Review

Commerce determines that the following weighted-average dumping margin exists for RZBC for the period May 1, 2021, through April 30, 2022:

Exporter	Weighted-average dumping margin (percent)
RZBC .....	0.00

Because no party requested a review of the China-wide entity, and Commerce no longer considers the China-wide entity as an exporter conditionally subject to administrative reviews,<sup>3</sup> we did not conduct a review of the China-wide entity. Thus, the weighted-average dumping margin for the China-wide entity (*i.e.*, 156.87 percent)<sup>4</sup> is not subject to change as a result of this review.

##### Disclosure

We intend to disclose the calculations performed within five days of the date

<sup>3</sup> See *Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Duty Proceedings*, 78 FR 65963, 65969-70 (November 4, 2013).

<sup>4</sup> See *Citric Acid and Certain Citrate Salts from Canada and the People's Republic of China: Antidumping Duty Orders*, 74 FR 25703 (May 29, 2009).

of publication of this notice to parties in this proceeding in accordance with 19 CFR 351.224(b).

##### Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with these final results of review. We intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of these final results. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Where the respondent reported reliable entered values, Commerce will calculate importer/customer-specific *ad valorem* assessment rates by aggregating the amount of dumping calculated for all U.S. sales to the importer/customer and dividing this amount by the total entered value of the merchandise sold to the importer/customer.<sup>5</sup> Where an importer- (or customer-) specific assessment rate is zero or *de minimis* (*i.e.*, less than 0.50 percent), Commerce will instruct CBP to assess that importer's (or customer's) entries of subject merchandise without regard to antidumping duties in accordance with 19 CFR 351.106(c)(2). For entries that were not reported in the U.S. sales database submitted by RZBC during this review, Commerce will instruct CBP to liquidate such entries at the antidumping duty assessment rate for the China-wide entity (*i.e.*, 156.87 percent).

##### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) for RZBC the cash deposit rate will be the rate listed above; (2) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recently completed segment of this proceeding in which they were reviewed; (3) for all

<sup>5</sup> See 19 CFR 351.212(b)(1).
