development company withdraws its election to be subject to Sections 55 through 65 of the Investment Company Act.

The Commission estimates that on average approximately seven business development companies file notifications on Form N-54C each year. Each of those business development companies need only make a single filing of Form N–54C. The Commission further estimates that this information collection imposes a burden of one hour, resulting in a total annual burden of seven hours. Based on the estimated wage rate, the total cost to the business development company industry of the hour burden for complying with Form N-54C would be approximately \$2,975.3 Futher, based on an estimated external cost burden of \$80 per filing, the total estimated annual external cost burden to the business development company industry for complying with Form N-54C would be \$560.

The collection of information under Form N–54C is mandatory. The information provided by the form is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

## SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–317, OMB Control No. 3235–0360]

## Submission for OMB Review; Comment Request; Extension: Form N–17f–2

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 350l *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Form N-17f-2 (17 CFR 274.220) under the Investment Company Act is entitled "Certificate of Accounting of Securities and Similar Investments in the Custody of Management Investment Companies." Form N-17f-2 is the cover sheet for the accountant examination certificates filed under rule 17f-2 (17 CFR 270.17f-2) by registered management investment companies ("funds") maintaining custody of securities or other investments. Form N-17f-2 facilitates the filing of the accountant's examination certificates prepared under rule 17f–2. The use of the form allows the certificates to be filed electronically, and increases the accessibility of the examination certificates to both the Commission's examination staff and interested investors by ensuring that the certificates are filed under the proper Commission file number and the correct name of a fund.

Commission staff estimates that it takes: (i) on average 1.25 hours of fund accounting personnel at a total cost of \$315 to prepare each Form N-17f-2; <sup>1</sup> and (ii) .75 hours of administrative assistant time at a total cost of \$70.50 to file the Form N-17f-2 with the

Commission.<sup>2</sup> Approximately 165 funds currently file Form N–17f–2 with the Commission. Commission staff estimates that on average each fund files Form N–17f–2 three times annually for a total annual hourly burden per fund of approximately 6 hours at a total cost of \$1,156.50. The total annual hour burden for Form N–17f–2 is therefore estimated to be approximately 990 hours with a total cost of approximately \$190,822.50.<sup>3</sup> Form N–17f–2 does not impose any paperwork-related cost burden other than this internal hour cost.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms. Complying with the collections of information required by Form N-17f-2 is mandatory for those funds that maintain custody of their own assets. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

## BILLING CODE 8011-01-P

 $^2$  This estimate is based on the following calculation: .75  $\times$  \$94 (administrative assistant hourly rate) = \$70.50.

 $^3$  This estimate is based on the following calculation: 165 funds × \$1,156.50 (total annual cost per fund) = \$190,822.50.

<sup>&</sup>lt;sup>3</sup> The industry burden is calculated by multiplying the total annual hour burden to prepare Form N-54C (seven) by the estimated hourly wage rate of \$425 for a compliance attorney or other business development company employee with similar duties and responsibilities. The estimated wage figure is based on published rates for compliance attorneys from the Securities Industry and Financial Markets Association's Report on Management & Professional Earnings in the Securities Industry 2013, modified by Commission staff to account for an 1800 hour work-year and inflation, and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead, vielding an effective hourly rate of \$2,975.

 $<sup>^1</sup>$  This estimate is based on the following calculation:  $1.25\times\$252$  (fund senior accountant's hourly rate) = \$315.
