SUPPLEMENTARY INFORMATION:

I. Background

The Occupational Safety and Health Act of 1970 (OSH Act) (29 U.S.C. 651, 656) established NACOSH to advise, consult with, and make recommendations to the Secretary of Labor and the Secretary of Health and Human Services (HHS) on matters relating to the administration of the OSH Act. NACOSH is a continuing advisory committee of indefinite duration.

NACOSH operates in accordance with the Federal Advisory Committee Act (FACA) (5 U.S.C. App. 2), its implementing regulations (41 CFR part 102–3), and OSHA's regulations on advisory committees and NACOSH (29 CFR parts 1912 and 1912a).

NACOSH is comprised of 12 members: four public representatives, two management representatives, two labor representatives, two occupational safety professional representatives, and two occupational health professional representatives (29 CFR 1912a.2). The Secretary of Labor appoints all of these members. However, the Secretary of HHS designates four of the representatives: two of the four public representatives and the two occupational health professional representatives. NACOSH members serve staggered two-year terms, unless the member becomes unable to serve, resigns, ceases to be qualified to serve, or is removed by the Secretary.

On July 31, 2023, OSHA published a request for nominations for two HHS designated NACOSH positions that would expire on November 15, 2023 (88 FR 49504). Specifically, OSHA requested nominations for:

- One (1) public representative (HHS); and
- One (1) occupational health professional representative (HHS).

OSHA handled the nominations consistent with the process identified in the FRN. The Acting Secretary of Labor proceeded with the appointment of individuals to two positions on November 1, 2023.

II. Appointment of Committee Members

OSHA received nominations of highly qualified individuals in response to the agency's request for nominations (88 FR 49504, July 31, 2023). The Acting Secretary appointed NACOSH members on the basis of their experience and competence in the field of occupational safety and health (29 CFR 1912a.2). The NACOSH members that the Acting Secretary appointed on November 1, 2023 with terms expiring on November 15, 2025 are:

HHS Designated Public Representative

- Cynthia Lewis, University of Arkansas for Medical Sciences, Health Policy & Management

HHS Designated Occupational Health Representative

- Bobbi Jo Hurst, Orthopedic Associates of Lancaster, PA.

Authority and Signature:

ADDRESSES: A copy of this ICR with applicable supporting documentation, including a description of the likely respondents, proposed frequency of response, and estimated total burden, may be obtained at no cost by contacting Serge King by telephone at 202.693.2982 (this is not a toll-free number), or by email at DOL_PRA_PUBLIC@dol.gov.

FOR FURTHER INFORMATION CONTACT: Serge King by telephone at 202.693.2982 (this is not a toll-free number) or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the Office of Management and Budget (OMB) for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

DOL seeks approval of a new information collection request (ICR) titled "Employment Navigator Data Collection and Matching". This request is for a "common forms" clearance process. There are three forms included in this ICR. The first form is a data collection mechanism for transitioning service members to provide general characteristics and background information as services are received from Employment Navigators. The second form includes additional data that is captured from government and non-government partners who will provide the service member, veteran, or spouse addition job seeker assistance after Employment Navigator data entry is complete. This form also includes any employment-related outcomes (e.g. job placement, job retention, and hourly wages earned) for each participant. The last form is a registration and validation form that all necessary partner entities must complete in order to be considered for partner status.

Authority: 44 U.S.C. 3506(c)(2)(A) authorizes this information collection. This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Comments must be written to receive consideration, and they will be summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should mention OMB 1205-0NEW.

Submitted comments will also be a matter of public record for this ICR and posted on the internet, without redaction. DOL encourages commenters not to include personally identifiable information, confidential business data, or other sensitive statements/information in any comments.

DOL is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, (e.g., permitting electronic submission of responses).

Type of Review: NEW.

Title of Collection: Employment Navigator Data Collection and Matching.

Forms: Employment Navigator Intake (VETS-NEW1); Employment Navigator Partner Intake (VETS-NEW2); Employment Navigator Partner Validation Input (VETS-NEW3).
