All comments received will be posted without change and will include any personal information you provide, such as name, address (mailing and email), telephone numbers, and any other information you provide.

II. Introduction

This notice informs the public of FHFA’s proposed revisions to an existing system of records. This notice satisfies the Privacy Act requirement that an agency publishes a system of records notice in the **Federal Register** when there is an addition or change to an agency’s system of records. Congress has recognized that application of all requirements of the Privacy Act to certain categories of records may have an undesirable and often unacceptable effect upon agencies in the conduct of necessary public business. Consequently, Congress established general exemptions and specific exemptions that could be used to exempt records from provisions of the Privacy Act. Congress also required that exempting records from provisions of

the Privacy Act would require the head of an agency to publish a determination to exempt a record from the Privacy Act as a rule in accordance with the Administrative Procedure Act. Records and information in this system of records are not exempt from the requirements of the Privacy Act.

As required by the Privacy Act, 5 U.S.C. 552a(r), and pursuant to section 7 of Office of Management and Budget (OMB) Circular No. A–108, “*Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act*,” prior to publication of this notice, FHFA submitted a report describing the system of records covered by this notice to the OMB, the Committee on Oversight and Government Reform of the House of Representatives, and the Committee on Homeland Security and Governmental Affairs of the Senate.

III. Revised System of Records

The revised system of records notice is set out in its entirety and described in detail below. The proposed modification to the System makes the following substantive and non-substantive changes:

(1) Adds new categories of records collected in the system to allow FHFA to collect and maintain information related to employee work agreements.

(2) Updates the service provider used to maintain the payroll, retirement, and leave records system from the National Finance Center to the Interior Business Center.

(3) Adds a new authority, Telework Enhancement Act of 2010 (5 U.S.C. 6501–6506), to allow for the collection and maintenance of the new proposed category, and corrects other authorities listed.

(4) Expands the system’s purpose for collecting the information to include the collection of employee work agreements.

(5) Expands the system’s record source categories to include employee work agreements.

(6) Revises the existing routine uses to be consistent with FHFA’s standard routine uses and those specific to this collection. Routine use 1 has been revised but remains in the same numerical position; a new routine use 2 has been added and the former routine use 2 has been revised and is now routine use 3; former routine use 3 has been revised and is now routine use 4; former routine uses 4–6 have been deleted; new routine uses 6, 8–9 have been added; routine use 7 has been revised but remains in the same numerical position; former routine use 8 has been deleted; former routine use 9

has been revised and is now routine use 5; former routine uses 10–14 have been deleted; and former routine uses 15–24 remain unchanged in text but are now numerically routine uses 10–19.

(7) Makes minor corrections and other administrative updates to the remaining sections of the notice in accordance with OMB Circular A–108.
