DEPARTMENT OF ENERGY

10 CFR Part 1045

[EHSS-RM-22-WSHP]

RIN 1992-AA62

Organizational Changes in Certain Department of Energy Health, Safety, and Security Regulations; Correction

AGENCY: Office of Environment, Health, Safety and Security, U.S. Department of Energy.

ACTION: Final rule; correction.

SUMMARY: On June 26, 2023, the U.S. Department of Energy (DOE) issued a final rule that inadvertently contained inaccurate amendatory instructions so

that the revisions in certain sections of the Code of Federal Regulations (CFR) could not be made. This document corrects the CFR.

DATES: Effective November 24, 2023.

FOR FURTHER INFORMATION CONTACT:

Mr. James Dillard, U.S. Department of Energy, Office of Environment, Health, Safety and Security, Mailstop EHSS-11, 1000 Independence Ave. SW, Washington, DC 20585, Telephone: (301) 903-1165, or by Email at: *james.dillard@hq.doe.gov*.

Ms. Jennifer Tiedeman, U.S. Department of Energy, Office of General Counsel, GC-33, 1000 Independence Ave. SW, Washington, DC 20585, Telephone: (202) 287-6111, or by Email at: *jennifer.tiedeman@hq.doe.gov*.

SUPPLEMENTARY INFORMATION:

I. Introduction

On February 10, 2022, DOE updated its organizational structure and changed certain titles and reporting duties within DOE’s Office of Environment, Health, Safety and Security (EHSS). Certain of the EHSS’s functions are subject to regulations in title 10 of the CFR. As a result of the changes, title 10 of the CFR contained references to DOE organizational names and positions that are no longer current. On June 26, 2023, DOE issued a final rule that made amendments to 10 CFR parts 602, 710, 712, 725, 835, 850, 851, 1016, 1017, 1045, and 1046 to reflect the new titles and organizational names. 88 FR 41289.

II. Need for Correction

One of the changes DOE made in its June 26, 2023, amendments was to change the title of the “Associate Under Secretary for Environment, Health, Safety and Security” (also referred to as the “Associate Under Secretary of Environment, Health, Safety and Security” in 10 CFR part 1045) to the “Director, Office of Environment, Health, Safety and Security” in 10 CFR parts 602, 710, 712, 835, 850, 851, 1016, 1045, and 1046. However, the rulemaking inadvertently contained inaccurate amendatory instructions at 10 CFR 1045.80, 1045.180, 1045.210, 1045.215, and 1045.220 such that all the revisions in 10 CFR part 1045 could not be made.

The purpose of this final rule technical correction is to correct references to the “Associate Under Secretary of Environment, Health, Safety and Security” and the “Associate Under Secretary for Environment, Health, Safety and Security” and instead reference the “Director, Office of Environment, Health, Safety and Security” in 10 CFR part 1045.

III. Procedural Issues and Regulatory Review

DOE has concluded that the determinations made pursuant to the various procedural requirements applicable to the June 26, 2023, final rule remain unchanged for this final rule technical correction. These determinations are set forth in the June 26, 2023, final rule. 88 FR 41289.

Pursuant to the Administrative Procedure Act, 5 U.S.C. 553(b), DOE finds that there is good cause to not issue a separate notice to solicit public comment on the changes contained in this document. Neither the errors nor the corrections in this document affect the substance of the June 26, 2023, final rule or any of the conclusions reached in support of the final rule. For these reasons, this rule is not subject to the 30-day delay in effective date requirement of 5 U.S.C. 553(d) otherwise applicable to rules that make substantive changes.

IV. Approval by the Office of the Secretary of Energy

The Secretary of Energy has approved publication of this final rule.

BILLING CODE 6450–01–P

FARM CREDIT ADMINISTRATION

12 CFR Parts 619 and 627

RIN 3052–AD48

Conservators and Receivers

AGENCY: Farm Credit Administration.
ACTION: Final rule.

SUMMARY: The Farm Credit Administration (FCA, we, our) is adopting a final rule that updates, restructures, and reorganizes our regulations that govern the appointment of the Farm Credit System Insurance Corporation (FCSIC) as the conservator or receiver of Farm Credit System (FCS or System) banks, associations, service corporations, and the Federal Farm Credit Banks Funding Corporation (Funding Corporation). The final rule also ensures FCA conservatorship and receivership regulations are consistent with the Agricultural Improvement Act of 2018 (2018 Farm Bill), which strengthens, updates, and clarifies FCSIC’s powers as the conservator or receiver of these FCS institutions. Additionally, the final rule consolidates and reorganizes our conservatorship and receivership regulations, so they are easier to understand and use. We also made conforming amendments to definitional regulations to clarify that bridge System banks, while subject to FCA supervision and oversight, are not subject to FCA regulations that apply to other System institutions. We revised these definitions because several provisions of the Farm Credit Act expressly exempt bridge banks from certain legal requirements that apply to viable and solvent System banks.

DATES: This final rule will be effective 30 days after publication in the **Federal Register** during which either or both Houses of Congress are in session. We will publish a document announcing the effective date in the **Federal Register**.
