

termination dates and adding an instruction stating that a designation, modification of designation, or termination of designation is effective upon receipt by ONRR. ONRR is also adding a "filing type" field for the lessee to specify whether the form is being filed as an initial designation, a modification of a designation, or a termination of a designation.

The current form ONRR-4425 contains fields for a lessee to provide both the ONRR lease number and the leasing agency (Bureau of Land Management or Bureau of Safety and Environmental Enforcement) lease number for the designation. ONRR is modifying the form to require only the leasing agency number since ONRR's data systems can convert the leasing agency number to the ONRR lease number.

Section 1218.52(a)(6) requires the lessee to provide the name, address, and phone number of the individual to contact for the designee. However, the current form ONRR-4425 does not have a field for the lessee to supply this information. ONRR therefore is adding a field to the form for the lessee to provide this contact information if the designee is a company.

Though the current form ONRR-4425 contains fields for a lessee to specify whether it is the lessee of record or operating rights owner, it does not contain a place to provide its percentage of operating rights ownership in the lease, as required by § 1218.52(a)(4). ONRR therefore is modifying the form ONRR-4425 to include a field for a lessee to provide its percentage of operating rights ownership.

Section 1218.52(a)(10) requires a lessee to provide a copy of the written designation with the form ONRR-4425, reflecting the designee's acceptance of the designation. ONRR is modifying the form ONRR-4425 to remind the lessee of this requirement. ONRR also is modifying the form ONRR-4425 instructions to specify that a lessee may use this written designation to (i) add additional leases to the designation, (ii) specify product types for the designation, and (iii) specify its operating rights percentages in different areas covered by the lease if its operating rights ownership is not uniform throughout the lease. Finally, ONRR is removing any requirement to provide fax information.

(3) *Tribal Permission for Recoupment on Indian Oil and Gas Leases*: Pursuant to 30 CFR 1218.53(b), a payor may, with written permission authorized by tribal statute or resolution, recoup an overpayment against royalties or other revenues owed for the same production

month under other leases for which that tribe is the lessor. See 30 CFR 1218.53(b). The payor must provide ONRR with a copy of that written permission. *Id.*

(4) *Processing Refund Requests*: FORGMA authorizes a Federal oil and gas lessee to request a refund for an overpayment in certain situations. See 30 U.S.C. 1721a(b). FOGGMA requires the lessee to supply information to support its refund request. *Id.* Additionally, ONRR collects banking information from the refund recipient in order to disburse the overpaid amount to the correct account if a refund is warranted.
