

Agenda

The On-Demand Fishing Gear Conflict Working Group (ODWG) will meet to discuss the analysis of gear conflict remediation measures in regional and Federal fishery management plans as well as the analysis of spatial and temporal overlap of fishing activity with protected species closures. The ODWG will receive a presentation on experimental gillnet gear by Blue Planet Strategies. They will also receive a briefing from NOAA Office of Law Enforcement on on-demand gear training workshop as well as a briefing from NOAA Greater Atlantic Regional Fisheries Office (GARFO) on on-demand gear activities funded by the Inflation Reduction Act. The group will receive a briefing from GARFO on November Interoperability Workshop. Updates on other on-demand gear-related activities will also be discussed. Other business will be discussed, as necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Cate O'Keefe, Executive Director, at (978) 465-0492, at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*
