Before doing so, EPA is soliciting public comments on specific aspects of the proposed information collection as described below. This is a request for approval of a new collection. EPA will consider the comments received and amend the ICR as appropriate. The final ICR package will then be submitted to OMB for review and approval. At that time, EPA will issue another **Federal Register** notice to announce the submission of the ICR to OMB and the opportunity to submit additional comments to OMB.

Abstract: EPA is developing a template to assist grantees and EPA with the creation of combined EPA-Tribal Environmental Plans (ETEPs) and Indian Environmental General Assistance Program (GAP) work plans. This template will provide a streamlined way to identify and report information that is already outlined in the 2022 GAP Guidance, 40 CFR 35.507, and the 1992 Indian Environmental General Assistance Program Act. In the 2022 GAP Guidance, section 2.3, the American Indian Environmental Office

(AIEO) commits to providing templates to assist Tribes considering a streamlined format. The template itself does not introduce any new requirements, nor does it limit the information that applicants may submit.

Form Numbers: None.

Respondents/affected entities: small governmental jurisdiction (Federally recognized Tribes and intertribal consortia).

Respondent's obligation to respond: mandatory if the recipient chooses to combine their GAP EPA-Tribal Environmental Plan and Work Plan into one document.

Estimated number of respondents: 500 (total).

Frequency of response: annually (and also every 3–5 years).

Total estimated burden: 2 hours (per year) and 28 hours (every 3–5 years). Burden is defined at 5 CFR 1320.03(b).

Total estimated cost: \$1650 (30 hours total/every 3–5 years), but \$110 (per year).

Changes in Estimates: There will likely be a decrease of hours in the total estimated respondent burden due to the fact that the recipients will now have a streamlined template, resulting in less duplicative and unnecessary reporting and increased clarity in what reporting is required.

Jane Nishida,

Assistant Administrator, Office of International and Tribal Affairs.
