SUPPLEMENTARY INFORMATION:

Authority: 38 U.S.C. 107.

Title: Residency Verification Report—Veterans and Survivors (FL21–914).

OMB Control Number: 2900–0655.

Type of Review: Revision of a currently approved collection.

Abstract: Form Letter 21–914 is primarily used to gather information which is necessary to verify whether a veteran or beneficiary who is receiving benefits at the full-dollar rate based on U.S. residency continues to meet the residency requirements. Continued eligibility to benefits at the full-dollar rate cannot be determined without complete information about a veteran's or beneficiary's residency.

No substantive changes have been made to this form. However, the burden estimate has decreased due to (1) a decrease in the number of minutes it takes to fill out the form, and (2) the respondent total has also decreased since the previous approval due to the estimated number of receivables averaged over the past year.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection of information was published at 88 FR 67454 on Friday, September 29, 2023.

Affected Public: Individuals or households.

Estimated Annual Burden: 75 hours.
