A. Overview of Information Collection

Title of Information Collection:
Request for Construction on Project Mortgages.

OMB Approval Number: 2502–0011.

Type of Request: Reinstatement, with change, of previously approved collection for which approval has expired.

Form Number: HUD–92437.

Description of the need for the information and proposed use:

The previous OMB collection reflects an accurate assessment of the numbers submitted under this collection, which included two forms used by OMAPO, formally Contract Administration, CA (HUD–92442–CA, HUD–92442–A–CA). In addition, the specific forms, HUD–92441, HUD–92442, and HUD–92442–A, have been deleted under this collection and placed under the Closing documents, OMB control number 2502–0598. The current numbers were based on the average of three fiscal years of initial endorsements. Furthermore, the numbers under this collection reflect a healthy housing industry since 2010 in which credit markets stabilized and interest rates were low and Multifamily housing occupancy was very strong. HUD plays a vital part in the housing

industry and the increased numbers reflect that strong demand. This form HUD–92437 serves as the project's change order involving changes to contact work, contract price, or contract time. All on-site construction changes are submitted on this form. The contractor, architect, mortgagor, and mortgagee must approve the proposed changes before the request is submitted to HUD for approval. The form ensures that viable projects are developed.

Respondents: Individuals participating in HUD Multifamily mortgage insurance programs as principals of sponsors, mortgagors, and general contractors.

Estimated Number of Respondents:
1,174.

Estimated Number of Responses:
3,522.

Frequency of Response: 3.

Average Hours per Response: 2.

Total Estimated Burden: 7,044.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

Description

Between 1881 and 1917, 29 sacred objects were removed from the Hawaiian Islands by, variously, the Alaska Commercial Company, Arthur Rodgers, François L. A. Pioche, H.W. O'Melveny, Jackson R. Myers, Phoebe Apperson Hearst, and other unknown collectors, and were donated to the Lowie Museum (Phoebe A. Hearst Museum of Anthropology). The sacred objects are one 'opu'u (pendant), one 'umeke (bowl), 10 hoana (grindstone), one 'ihe (spear), one ipu 'aina (scrap bowl), one ipu kuha (spittoon), two kūpe'e (anklet/bracelet), one makau (fishhook) or niho palaoa (whale tooth pendent), four niho palaoa (whale tooth pendent), two lei niho palaoa (whale tooth pendent human hair necklace) and five lei lauoho (human hair necklace). The human hair in the two lei niho palaoa and five lei lauoho are reasonably believed to have been freely given or naturally shed by the individuals from whom it was obtained.

Five sacred objects were removed from the Hawaiian Islands by Mr. and Mrs. Gardner Dailey and were donated in 1970 to the Lowie Museum (Phoebe A. Hearst Museum of Anthropology). The sacred objects are five lei hulu (feather necklace).

Also, 301 additional items which are not 'cultural items' under NAGPRA are being returned pursuant to the University of California Native American Cultural Affiliation and Repatriation Policy, Section V.G., *Voluntary Deaccessioning of Items which are not NAGPRA/CalNAGPRA-eligible*.

Cultural Affiliation

The cultural items in this notice are connected to one or more identifiable earlier groups, tribes, peoples, or cultures. There is a relationship of

shared group identity between the identifiable earlier groups, tribes, peoples, or cultures and one or more Indian Tribes or Native Hawaiian organizations. The following types of information were used to reasonably trace the relationship: Tribal traditional knowledge, geographical, and historical.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes and Native Hawaiian organizations, the University of California, Berkeley has determined that:

- The 34 cultural items described above are specific ceremonial objects needed by traditional Native American religious leaders for the practice of traditional Native American religions by their present-day adherents.
- There is a relationship of shared group identity that can be reasonably traced between the cultural items and the Council for Native Hawaiian Advancement, and Hui Iwi Kuamo'o.

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after January 4, 2024. If competing requests for repatriation are received, the University of California, Berkeley must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. The University of California, Berkeley is responsible for sending a copy of this notice to the Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.8, 10.10, and 10.14.
