SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–99035; File No. SR–CBOE–2023–062]

Self-Regulatory Organizations; Cboe Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Short Term Option Series Program

November 29, 2023.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on November

22, 2023, Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b–4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Short Term Option Series Program. The text of the proposed rule change is available on the Exchange’s website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 4.5(d). Specifically, the Exchange proposes to expand the Short Term Option Series Program to permit the listing of two Wednesday expirations for options on United States Oil Fund, LP (“USO”), United States Natural Gas Fund, LP (“UNG”), SPDR Gold Shares (“GLD”), iShares Silver Trust (“SLV”), and iShares 20+ Year Treasury Bond ETF (“TLT”) (collectively “Exchange Traded Products” or “ETPs”). This is a competitive filing that is based on a proposal submitted by Nasdaq ISE, LLC

(“Nasdaq ISE”) and recently approved by the Commission.⁵

Currently, as set forth in Rule 4.5(d), after an option class has been approved for listing and trading on the Exchange, the Exchange may open for trading on any Thursday or Friday that is a business day (“Short Term Option Opening Date”) series of options on that class that expire at the close of business on each of the next five Fridays that are business days and are not Fridays on which monthly options series or Quarterly Options Series expire (“Friday Short Term Option Expiration Dates”). The Exchange may have no more than a total of five Friday Short Term Option Expiration Dates (“Short Term Option Weekly Expirations”). If the Exchange is not open for business on the respective Thursday or Friday, the Short Term Option Opening Date for Short Term Option Weekly Expirations will be the first business day immediately prior to that respective Thursday or Friday. Similarly, if the Exchange is not open for business on a Friday, the Short Term Option Expiration Date for Short Term Option Weekly Expirations will be the first business day immediately prior to that Friday.

Additionally, the Exchange may open for trading series of options on the symbols provided in Table 1 of Rule 4.5(d) that expire at the close of business on each of the next two Mondays, Tuesdays, Wednesdays, and Thursdays, respectively, that are business days and are not business days in which monthly options series or Quarterly Options Series expire (“Short Term Option Daily Expirations”). For those symbols listed in Table 1, the Exchange may have no more than a total of two Short Term Option Daily Expirations for each of Monday, Tuesday, Wednesday, and Thursday expirations at one time.

At this time, the Exchange proposes to expand the Short Term Option Daily Expirations to permit the listing and trading of options on USO, UNG, GLD, SLV, and TLT expiring on Wednesdays. The Exchange proposes to permit two Short Term Option Expiration Dates beyond the current week for each Wednesday expiration at one time.⁶ In

⁵ See Securities Exchange Act Release No. 98905 (November 13, 2023) (SR–ISE–2023–11) (Order Approving a Proposed Rule Change to Amend the Short Term Option Series Program to Permit the Listing of Two Wednesday Expirations for Options on Certain Exchange Traded Products) (“Nasdaq ISE Approval”).

⁶ Consistent with the current operation of the rule, the Exchange notes that if it adds a Wednesday expiration on a Tuesday, it could technically list three outstanding Wednesday expirations at one
