On November 6, 2014, Commerce published in the **Federal Register** the countervailing duty order on rebar from Turkey.¹ On November 1, 2022, Commerce published the notice of opportunity to request an administrative review of the *Order*.² On January 3, 2023, based on timely requests for an administrative review, Commerce published the notice of initiation of an administrative review of the *Order*.³ On March 28, 2023, Commerce selected Colakoglu Metalurji A.S. (Colakoglu) and Kaptan Demir Celik Endustrisi ve Ticaret A.S. (Kaptan) as the mandatory respondents in this review.⁴ On July 17, 2023, Commerce extended the deadline for the preliminary results of this administrative review until November 30, 2023.⁵

Scope of the Order

The product covered by the *Order* is rebar from Turkey. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this countervailing duty administrative review in accordance with section 751(a)(1) of the Tariff Act of 1930, as amended (the Act). For each subsidy program found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.⁷ For a full description of the methodology underlying our conclusions, including our reliance, in part, on facts otherwise available pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, In Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. On April 3, 2022, the Rebar Trade Coalition (the petitioner) timely withdrew its requests for an administrative review of Icdas and its cross-owned affiliates (*i.e.*, Mardas Marmara Deniz Isletmeciligi A.S.; Artmak Denizcilik Ticaret ve Sanayi A.S.; Oraysan Insaat Sanayi ve Ticaret A.S.; Artim Demir Insaat Turizm Sanayi Ticaret Ltd. Sti.; Anka Entansif Hayvancilik Gida Tarim Sanayi ve Ticaret A.S.; Eras Tasimacilik Taahhut Insaat ve Ticaret A.S.; and Karsan Gemi Insaat Sanayi Ticaret A.S.).⁸ Because the withdrawal request from the petitioner was timely filed, and no other party requested a review of these companies, in accordance with 19 CFR

351.213(d)(1), Commerce is rescinding this review of the *Order* with respect to the Icdas and its cross-owned affiliates

Based on our analysis of U.S. Customs and Border Protection (CBP) data, we determine that the following companies had no entries of subject merchandise during the POR: Ans Kargo Lojistik Tas

⁷ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

⁸ See Petitioner's, "Partial Withdrawal of Request for Administrative Review," dated April 1, 2023

ve Tic; Baykan Dis Ticaret; Kibar dis Ticaret A.S.; Meral Makina Iml Ith Ihr Gida; Sami Soybas Demir Sanayi ve Ticaret; and Yucel Boru Ihracat Ithalat ve Pazarlama. On April 17, 2023, we notified parties of our intent to rescind the administrative review with respect to the four companies because there are

no reviewable suspended entries.⁹ No parties commented on the notification of intent to rescind the review, in part. Pursuant to 19 CFR 351.213(d)(3), we are rescinding the administrative review of these companies. For additional information regarding this

determination, see the Preliminary Decision Memorandum.

Preliminary Results of Review

We preliminary find that the net countervailable subsidy rates exist for the period January 1, 2021, through December 31, 2021:

Company	Subsidy rate (percent <i>ad valorem</i>)
Kaptan Demir Celik Endustrisi ve Ticaret A.S., Kaptan Metal Dis Ticaret ve Nakliyat A.S., and their cross-owned affiliates ¹⁰	5.54
Colakoglu Metalurji A.S.	0.03 (<i>de minimis</i>)

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce also intends upon publication of the final results, to instruct CBP to collect cash deposits of the estimated countervailing duties in the amounts calculated in the final results of this review for the respective companies listed above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. If the rate calculated in the final results is zero or *de minimis*, no cash deposit will be required on shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review.

For all non-reviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the all-others rate or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Assessment Rates

In accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.221(b)(4)(i), we preliminarily determined subsidy rates in the amounts shown above for the producer/exporters shown above. Upon issuance of the final results of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all

appropriate entries covered by this review.

For the companies for which this review is rescinded with these preliminary results, we will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2021, through December 31, 2021, in accordance with 19 CFR 351.212(c)(1)(i). For the companies remaining in the review, we intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**.

If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

SUPPLEMENTARY INFORMATION:

Background

On June 7, 2023, Commerce published the *Preliminary Results* of this administrative review in the **Federal Register**,¹ and invited interested parties to comment. For a complete description of the events that followed the *Preliminary Results*, see the Issues and Decision Memorandum.² Commerce postponed these final results until December 1, 2023.³

Scope of the Order⁴

The merchandise covered by the *Order* is welded pipe. For a complete description of the scope of the *Order*, see the Issues and Decision Memorandum.

Analysis of Comments Received

All issues raised in interested parties' briefs are addressed in the Issues and Decision Memorandum. A list of the issues addressed is attached to this notice as an appendix. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Changes Since the Preliminary Results

Based on our analysis of the case and rebuttal briefs and the evidence on the record, we made certain changes from the *Preliminary Results* related to the benefit calculations of certain programs

¹ See *Large Diameter Welded Pipe from the Republic of Korea: Preliminary Results and Partial Rescission of the Countervailing Duty Administrative Review; 2021*, 88 FR 37200 (June 7, 2023) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum.

due to data corrections based on verification findings. These changes are explained in the Issues and Decision Memorandum.

Methodology

Commerce conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁵ For a description of the methodology underlying Commerce's conclusions, see the Issues and Decision Memorandum.

Verification

As provided in section 782(i) of the Act, in August and September 2023, Commerce conducted on-site verification of the subsidy information reported by Hyundai RB Co., Ltd (Hyundai RB), SeAH Steel Corporation (SeAH Steel), and the Government of Korea. We used standard on-site verification procedures, including an examination of relevant accounting records and original source documents provided by the respondents.

Rate for Non-Selected Companies

Generally, Commerce looks to section 705(c)(5) of the Act for guidance for calculating the rate for companies that were not selected for individual examination in an administrative review. Section 705(c)(5)(A) of the Act states that for companies not investigated, in general, we will determine an all-others rate by weight averaging the countervailable subsidy rates established for each of the companies individually investigated, excluding zero and *de minimis* rates or any rates based solely on facts otherwise available. Here, the only rate that is not zero, *de minimis*, or based entirely on facts otherwise available is the rate calculated for Hyundai RB. Consequently, we are assigning this rate to HiSteel Co., Ltd., the only company not selected for individual examination.

Final Results of Review

In accordance with 19 CFR 351.221(b)(5), we determine the following net countervailable subsidy rates exist for the POR January 1, 2021, through December 31, 2021:

⁵ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.
