Aluminum Lithographic Printing Plates From the People's Republic of China: Postponement of Preliminary Determination in the Countervailing Duty Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable December 7, 2023.

FOR FURTHER INFORMATION CONTACT: Terre Keaton Stefanova, AD/CVD Operations Office IX, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–1280.

SUPPLEMENTARY INFORMATION:

Background

On October 18, 2023, the U.S. Department of Commerce (Commerce)

initiated a countervailing duty (CVD) investigation of imports of aluminum lithographic printing plates (printing plates) from the People's Republic of China (China).¹ Currently, the preliminary determination is due no later than December 22, 2023.

Postponement of Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On November 27, 2023, Eastman Kodak Company (the petitioner) timely filed a request for Commerce to postpone the preliminary CVD determination.² The petitioner requested postponement of the preliminary determination because Commerce needs additional time to collect and analyze questionnaire responses from the Government of China and the mandatory respondents in this investigation, and issue supplemental questionnaires.³

In accordance with 19 CFR 351.205(e), the petitioner has stated the reasons for requesting a postponement of the preliminary determination, and Commerce finds no compelling reason to deny the request. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determination to no later than 130 days after the date on which this

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Certain Steel Nails From the United Arab Emirates: Final Results of Antidumping Duty Administrative Review; 2021–2022

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that sales of certain steel nails from the United Arab Emirates were made at less than normal value during the period of review (POR) May 1, 2021, through April 30, 2022.

DATES: Applicable December 7, 2023.

FOR FURTHER INFORMATION CONTACT: Kelsie Hohenberger, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–2517.

SUPPLEMENTARY INFORMATION:

Background

On June 5, 2023, Commerce published the *Preliminary Results* and invited interested parties to comment.¹ This review covers two respondents: Master Nails and Pins Manufacturing, LLC/

⁴ Postponing the preliminary determination to 130 days after initiation would place the deadline on February 25, 2024, which is a Sunday. Commerce's practice dictates that, when a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day. Middle East Manufacturing Steel LLC (collectively, Master) and Rich Well Steel Industries LLC (Rich Well).

From June 20 through 23,² and July 3 through 7, 2023,³ Commerce verified Master’s sales and cost responses. On August 29, 2023, the petitioner⁴ submitted case briefs,⁵ and on September 7 and 8, 2023, Rich Well⁶ and Master,⁷ respectively, submitted rebuttal briefs. On September 21, 2023, we extended the deadline for these final results to December 1, 2023.⁸ For a complete description of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.⁹

Commerce conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Scope of the Order¹⁰

The products covered by this *Order* are certain steel nails from the United Arab Emirates. For a full description of the scope, see the Issues and Decision Memorandum.

Changes Since the Preliminary Results

Based on our review of the record, including our verification reports and comments received from interested parties, we have made changes to the *Preliminary Results* margin calculation for Master.¹¹

Final Results of Administrative Review

Commerce determines that the following weighted-average dumping margins exist for the period May 1, 2021, through April 30, 2022:

Exporter/producer	Weighted average dumping margin (percent)
Master Nails and Pins Manufacturing LLC/Middle East Manufacturing Steel, LLC	4.58
Rich Well Steel Industries LLC	2.28

Disclosure

Commerce intends to disclose the calculations performed in connection with these final results of review (with respect to Master’s revised dumping margin) to interested parties within five days after public announcement of the final results or, if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2) of the Act and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.

Because the weighted-average dumping margins for Master and Rich Well are not zero or *de minimis* (*i.e.*, less than 0.5 percent), we calculated importer-specific *ad valorem* assessment rates based on the ratio of the total amount of dumping calculated for the examined sales to the total entered value of the sales. Where an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

¹¹ See Issues and Decision Memorandum at Comments 1 and 2.

Consistent with Commerce’s assessment practice, for entries of subject merchandise during the POR produced by Master or Rich Well for which they did not know their merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹²

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2) of the Act: (1) the cash deposit rates for Master and Rich Well will be the weighted-average dumping margins established in the final results of this administrative review; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the producer has been covered in a prior completed segment of this proceeding, the cash deposit rate will be the company-specific rate established for the most recent period for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 4.30 percent.¹³ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries

¹² For a full discussion of this practice, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

¹³ See *Order*, 77 FR at 27422.

during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5).

Dated: December 1, 2023.

Deputy Assistant Secretary for Enforcement and Compliance.
