

transcript of the informal hearing will be placed in the rulemaking record.

Because there are no “disputed issues of material fact” to resolve at the informal hearing, the presiding officer is not anticipated to make a recommended decision.³⁴ The role of the presiding officer therefore will be to preside over and to ensure the orderly conduct of the informal hearing, including selecting the sequence in which oral statements will be heard, and to place the transcript and any additional written submissions received into the rulemaking record. The presiding officer may prescribe additional procedures or issue rulings in accordance with Commission Rule 1.13, 16 CFR 1.13. In execution of the presiding officer’s obligations and responsibilities under the Commission Rules, the presiding officer may issue additional public notices.

VI. Communications by Outside Parties to the Commissioners or Their Advisors

Pursuant to Commission Rule 1.18(c)(1), 16 CFR 1.18(c)(1), the Commission has determined that communications with respect to the merits of this proceeding from any outside party to any Commissioner or Commissioner advisor shall be subject to the following treatment. Written communications and summaries or transcripts of oral communications shall be placed on the rulemaking record if the communication is received before the end of the comment period. They shall be placed on the public record if the communication is received later. Unless the outside party making an oral communication is a member of Congress, such communications are permitted only if advance notice is published in the Weekly Calendar and Notice of “Sunshine” Meetings.³⁵

By direction of the Commission.

Removing Criminal Conviction Restrictions for Testers in FHIP- and FHAP-Funded Testing Programs; Extension of Comment Period

AGENCY: Office of Fair Housing and Equal Opportunity, HUD.

ACTION: Proposed rule; extension of comment period.

SUMMARY: On October 31, 2023, HUD published in the *Federal Register* a notice of proposed rulemaking entitled “Removing Criminal Conviction Restrictions for Testers in FHIP- and FHAP-Funded Testing Programs,” proposing to eliminate the tester restrictions for Fair Housing Initiatives Program (FHIP) grantees and for Fair Housing Assistance Program (FHAP) agencies that forbid FHIP and FHAP recipients from using fair housing testers with prior felony convictions or convictions of crimes involving fraud or perjury. The proposed rule provided for a 60-day comment period, which would have ended January 2, 2024. HUD has determined that a 9-day extension of the comment period, until January 11, 2024, is appropriate. This extension will allow interested persons additional time to analyze the proposal and prepare their comments.

DATES: The comment period for the proposed rule published on October 31, 2023, at 88 FR 74381, is extended. Comments should be received on or before January 11, 2024.

ADDRESSES: Interested persons are invited to submit comments regarding this proposed rule. There are two methods for submitting public comments. All submissions must refer to the above docket number and title.

1. *Submission of Comments by Mail.* Comments may be submitted by mail to the Regulations Division, Office of General Counsel, Department of Housing and Urban Development, 451 7th Street SW, Room 10276, Washington, DC 20410-0500.

2. *Electronic Submission of Comments.* Interested persons may submit comments electronically through the Federal eRulemaking Portal at www.regulations.gov. HUD strongly encourages commenters to submit comments electronically. Electronic submission of comments allows the commenter maximum time to prepare and submit a comment, ensures timely

receipt by HUD, and enables HUD to make them immediately available to the public. Comments submitted electronically through the www.regulations.gov website can be viewed by other commenters and interested members of the public. Commenters should follow the instructions provided on that site to submit comments electronically.

Note: To receive consideration as public comments, comments must be submitted through one of the two methods specified above. Again, all submissions must refer to the docket number and title of the rule.

No Facsimile Comments: Facsimile (FAX) comments are not acceptable.

Public Inspection of Comments. All properly submitted comments and communications submitted to HUD will be available for public inspection and copying between 8 a.m. and 5 p.m. weekdays at the above address. Due to security measures at the HUD Headquarters building, an advance appointment to review the public comments must be scheduled by calling the Regulations Division at 202-402-3055 (this is not a toll-free number). for Fair Housing Assistance Program (FHAP) agencies that forbid FHIP and FHAP recipients from using fair housing testers with prior felony convictions or convictions of crimes involving fraud or perjury. This proposed rule would make HUD's programs as inclusive as possible for people with criminal records, consistent with Secretary Marcia Fudge's April 12, 2022, Memorandum, "Eliminating Barriers That May Unnecessarily Prevent Individuals with Criminal Histories from Participating in HUD Program." It would also ensure that FHIP and FHAP funded entities are able to fully investigate criminal background screening policies that are potentially discriminatory under federal civil rights laws by using testers with actual criminal backgrounds. In accordance with 5 U.S.C. 553(b)(4), a summary of this rule may be found at <https://www.regulations.gov/document/HUD-2023-0091-0076>.

While the proposed rule had a 60-day comment period, HUD has received feedback from commenters requesting additional time to review and provide comments on this rule. In response, HUD is extending the deadline for comments to January 11, 2024.
