Form HUD–92800.5B serves as the mortgagee’s conditional commitment/direct endorsement statement of appraised value of Federal Housing Administration (FHA) mortgage insurance on the property. The form provides a section for the statement of the property’s appraised value and other required FHA disclosures to the borrower, including specific conditions that must be met before HUD can endorse a mortgage for FHA insurance. HUD uses the information to determine the eligibility of a property for mortgage insurance.

HUD encourages interested parties to submit comments in response to these questions.

C. Authority

Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35.

D. Summary of Form 92800.5B Comments and HUD Responses

Comment: A commenter shared their understanding that FHA requires

lenders to utilize the 92800.5B to comply with the Consumer Financial Protection Bureau’s (CFPB) requirement for lenders to provide borrowers a copy of the appraisal report promptly upon completion or at least three days prior to the closing of the loan. The commenter recommends that FHA remove its requirement for lenders to utilize the HUD Form 92800.5B, Conditional Commitment/Direct Endorsement Statement of Appraised Value. The commenter felt the 92800.5B is obsolete and duplicative due to borrower’s receiving a copy of the appraisal report with the HUD Form 92900–LT, FHA Loan Underwriting and Transmittal Summary.

HUD Response: HUD appreciates this comment. Although the HUD Form 92800.5B and the 92900–LT state the Appraised Value, neither form is tied to CFPB’s requirements for providing the Borrower a copy of the appraisal report or the Borrower’s receipt of the appraisal report. Form 92800.5B provides other required FHA disclosures to the borrower, including specific conditions that must be met before HUD can endorse a mortgage for FHA insurance. Consideration may be given to necessary updates at a future date.
