Title of Collection: Income Driven Repayment Plan Request for the William D. Ford Federal Direct Loans and Federal Family Education Loan Programs.

OMB Control Number: 1845–0102.

Type of Review: An extension without change of a currently approved ICR.

Respondents/Affected Public: Individuals and Households.

Total Estimated Number of Annual Responses: 9,500,000.

Total Estimated Number of Annual Burden Hours: 3,135,000.

Abstract: The Department of Education (Department) is requesting an extension of the information collection, 1845–0102. This collection was approved under an emergency clearance on July 27, 2023, and the Department is now requesting the 30-day public comment period. The Department updated the Income Driven Repayment (IDR) Request Form used by a borrower to enroll, recertify, or change their IDR plan to support the provisions identified for early implementation in the final rule published July 10, 2023, and the provisions in the FUTURE ACT related to borrower consent to use tax information for IDR participation. Specifically, the form was updated to include a new section related to the borrowers consent to use tax information for this application and on an ongoing basis and to reflect the name change of the REPAYE Plan to the SAVE Plan. The form was also updated to remove the need for spousal income information in the situation where a borrower files taxes separately from their spouse. This removes the need to collect the signature of the spouse as the spouses information is no longer necessary to participate in any IDR plan. Other updates were made to improve readability and the borrower experience. There have been no further changes to the form since the emergency clearance was approved.
